Media and Communications Consent Form

F. STUDENT PERMISSION FORM

The Quantum Kids Education and its schools carry out ongoing marketing and communication activities to maintain a positive profile in their local communities.

These initiatives usually involve images of students, families and individuals being utilised in all forms of media – print, electronic, online and social media . Common methods of publication have included brochures, newsletters, newspaper, radio and television advertisements, promotional DVDs, web sites and educational training (photographs and/or footage). Some promotional images may also be used on the Quantum Kids Education and/or individual schools social media pages including Facebook, Instagram and other social media platform.

To comply with our organisation's privacy obligations and in keeping with applicable legislation, it is a requirement that consent be given for such activities by either the individual (if over 18 years) or by a parent/guardian (if under 18 years).

Consent will be sought from the parent, guardian or individual (if over 18 years of age) by asking them to complete and sign this form. The consent form will be retained by the Schools Office or the individual school, depending on the purpose. NB: This consent, once given, will be amended or revoked only upon receipt of correspondence from the parent/guardian or individual (if over 18 years).

I authorise Quantum Kids Education and/or its approved education partners to take and use any photographs, video or sound recording of me/the student and any reproductions or adaptations of the material, either in full or part, in conjunction with any wording or drawings, in any Quantum Kids Education publication, production and presentation. This includes use on the internet and social media platforms such as Facebook, Instagram and other social media platform.

I acknowledge that I/the student has no rights in the material in any Quantum Kids Education publication, production or presentation which includes the material.

What is this consent for?

This Consent Form authorises Quantum Kids Education to use the Individual's copyright material, image and recording. The consent covers the entire or partial use of the Individual's copyright material, image, and recording in conjunction with other words and images.

What is an image or recording?

In this Consent Form, an image or recording includes photographs, videos, films, or sound recordings of the individual.

Agreement

Enrolling your child in Quantum Kids Education means that you are choosing an online homeschooling approach tailored to support each student's academic growth, independence, and readiness for lifelong learning. This agreement outlines key responsibilities and expectations for both students and parents to ensure a productive and engaging learning experience. By enrolling, you agree to the following terms:

1. Academic Commitment

- You understand that Quantum Kids Education provides a structured, comprehensive online curriculum designed to meet academic standards.
- Your child is expected to engage in course work, complete assignments on time, and participate in assessments.

2. Standards of Conduct

- Your child is expected to adhere to the school's standards, including:
 - Appropriate behavior during online sessions and respect towards classmates and teachers.
 - Timely attendance and active participation in scheduled online classes.
 - Observing the school's policies on academic integrity and respectful communication.

3. Parental Involvement

- Parents are encouraged to actively support their child's learning by:
 - Monitoring their progress and ensuring they complete assignments and participate in online activities.
 - Attending scheduled virtual parent-teacher meetings to discuss academic and developmental progress.
 - Staying informed about school updates, policies, and announcements.

4. Information & Communication Technology (ICT) Policies

- We expect adherence to Quantum Kids Education's ICT policies, which includes appropriate use of the internet and school-provided online resources. Parents should review these guidelines with their child.
- Any misuse of technology or inappropriate online behavior may lead to disciplinary action in line with the school's ICT policies.

5. Emergency and Health Provisions

- In case of emergencies, health issues, or accidents, Quantum Kids Education requires parents to provide up-to-date contact information and any relevant medical information. While we are not responsible for medical care, we may guide parents to appropriate resources if necessary.

6. Data Privacy and Information Accuracy

- You agree to keep all personal and medical information provided to Quantum Kids Education accurate and up to date. This includes notifying the school of any changes in contact details, health concerns, or other relevant information that may impact your child's learning experience.

7. Participation in School Activities

- Students are expected to participate in both academic and extracurricular activities as scheduled by Quantum Kids Education to enrich their learning journey and foster a sense of community.

8. Fee Agreement

- You agree to honor the financial commitments required by Quantum Kids Education, including timely payment of tuition fees as per the Schedule of Fees and Charges.

9. Declaration of Understanding

- I/We have read all of the information in the enrolment package and understand the policies that must be followed for successful enrolment in Quantum Kids Education. We acknowledge that any misleading information or omission of significant, relevant details provided during enrolment may result in the withdrawal of the enrolment.

Agreement Confirmation By enrolling your child in Quantum Kids Education, you acknowledge that you have read and agree to the terms outlined above.

Personal information, consent, and declaration of accuracy

The personal information collected on this application is for purposes directly related to your child's education including processing this application.

Any information provided to the Quantum Kids Education will be used, disclosed and stored consistent with the NSW privacy laws.

Certain information is required by the Department to meet its duty of care and other legal obligations under public health, education and child protection legislation and for meeting data collection and reporting requirements under Commonwealth – State funding agreements which may involve evaluation and assessment of student outcomes.

Information may be disclosed to the State and Commonwealth government agencies and other organisations for the above purposes and as authorised or required by law.

Information will be stored on a secure electronic database. You may access or correct the information by contacting your child's school. If you have a concern or complaint about the information collected or how it has been used or disclosed you should contact the school.

If you choose not to provide some requested information it may have a detrimental impact on your child's enrolment, resourcing of the school or meeting your child's educational needs

Further information about the collection of information while your child is enrolled at Quantum Kids Education, and how we protect your privacy, is available on the School website or from your school.

Publishing student information

The school/Department may publish information about your child for the purposes of sharing his/her experiences with other students, informing the school and broader community about school and student activities and recording student participation in noteworthy projects or community service.

This information may include your child's name, age, class and information collected at school such as photographs, sound and visual recordings of your child, your child's work and expressions of opinion such as in interactive media.

The communications in which your child's information may be published include but are not limited to:

- Public websites of the Department including the school website, the Department's intranet (staff only), blogs and wikis.
- School publications including the school newsletter, annual school magazine and school report, promotional material published in print and electronically including on the school websites.
- Official school social media accounts on networks such as the school's YouTube, Facebook and Twitter pages.

Parents should be aware that when information is published on public websites and social media channels it can be linked to by third parties and may be discoverable online for a number of years, if not permanently. Search engines may also cache or retain copies of published information.

Permission to publish

I have read the information about publishing student information (above) and

☐ **I give Permission** ☐ **I do not give permission**

for the school/Department to publish information about my child in publicly accessible communications. This permission remains effective until I advise otherwise.

Online services

We do not provide the students with filtered internet access. It is the parent's/guardian's responsibility to monitor and filter internet usage to ensure safe and appropriate online behavior. Quantum Kids Education does not hold any responsibility for misuse of the internet by the student. Misuse of the internet by the student can include, but is not limited to: accessing inappropriate or harmful content, engaging in cyber bullying, sharing personal or sensitive information, unauthorized downloading or uploading of files, or any activity that violates laws, regulations, or ethical guidelines. Parents/guardians are encouraged to take an active role in supervising their child's online activities to mitigate these risks.

☐ **I give Permission and agree to the terms**

for my child to have access to online services. This permission remains effective until I advise the school otherwise.

Consent

I have provided information about the learning and support needs, including health condition(s) and/or special need(s) and/or history relevant to a risk assessment, related to the student listed in Section A of this application form.

I consent to the school seeking information from previous schools, other NSW government departments or other organisations that may also hold information related to this assessment for the student named on page 1.
