

Through inNERV8...

You will find practical ways to meet and serve Muslims by volunteering in **Destination** as well as participating through in **Home Visits**. We have opportunities to **Engage the Church**, to be equipped for *Mission* through ongoing **Training & Mobilization**, and to maintain healthy **Christian & Muslim Relationships**. Besides

Destination two other key opportunities include planned intentional interaction between small groups of Muslims and Christians at **Majlis** as well as a time of fellowship and focus with a guest speaker at **Challenge Night**. To round things off we have several **Partner Programs** with area organizations to assist *your* entry into ministry to Muslims throughout the greater D/FW region.

All activities and opportunities provide a way for us to Love God and Love others.

Join Us... It's as simple as starting a Prayer Group for the Nations!

About Us...

At inNERV8 we believe each of us can join Jesus in building His Kingdom. We have identified 8 ways that the church can engage in reaching the Muslim world one person at a time. All our initiatives are built around discipling the person of peace, who was created in the image of God. We are to show the same grace, mercy, and compassion that Jesus first showed us, who call ourselves followers of Christ.
