CONTRACT SEATING & FURNITURE

Edition 2025

WELCOME
TO THE

**CHAIR &
PANEL** TM

CREATIVE
WORLD

www.chairandpanel.com

WE CREATE, design and produce contract seating and furnishings that will add value to your project whether it is a bistro, café, restaurant, resort or hotel.

WE TRAVEL to the far reaches of the world for new design elements from Italy to the Middle East and to places barely known.

WE ARE a design manufacturer in the know and our contract interior furnishings meet the standards demanded by the hospitality industry.

WE MANUFACTURE contract seating and furnishings with a single goal to bring the best quality furniture piece to your door. Manufacturing begins from sustainable wood resources, eco-friendly fabrics, foam and finishes.

WE BRING over 30 years of combined manufacturing and furniture design experience along with hundreds of fabrics and materials. Our finishes are tough polyurethane coatings that guarantee a longlasting life and our fabrics are high grade commercial textiles and leathers, easy to maintain and durable.

CHAIR & PANEL has many years of successful completed projects in Europe and the Middle East including the Kingdom of Saudi Arabia and the Kingdom of Bahrain. Our design and factory office located in north-east Italy is a melting pot of colour, textures and feelings. Our team transforms intuition and ideas into reality.

From classic to contemporary design and from western to middle eastern tradition, Chair&Panel has created a fusion of cultures, understanding and regional elements in their contract furnishings.

With over a two hundred wooden and soft seating models Chair&Panel has the right furniture elements to bring your project to life.
