NEW SLIP OWNER APPLICATION

This application must be filled out and forwarded to the BMCA Board of Directors prior purchasing a slip. If you are purchasing a slip and do not currently have a vessel, you will be required to complete and have a second application approved for the vessel prior to berthing. Should an owner desire to change vessels, a new application must be completed prior to that vessel berthing. If an owner rents their slip, a rental application must be completed and submitted to the Dockmaster for approval of each renter/vessel.
