EXPERIENCE

Detroit Artists' Test Lab, Detroit — Operations Officer

January 2016 - PRESENT

Founder and manager of a coworking, photo studio, art gallery, podcast studio, and event space geared towards artistic entrepreneurs

Detroit Princess Riverboat, Detroit — Manager

April 2007 - January 2017

Helped the company establish itself firmly as an icon of Detroit's skyline by managing employees and providing a great customer experience for both general public and private events

Downey & Company, Indianapolis — Jewelry Designer

January 2002 - April 2007

Traveled nationally and internationally as a contract custom jewelry designer for several large multinational firms. I was directly responsible for and traveled with \$9,000,000 worth of inventory

EDUCATION

Gemological Institute, N.Y. — Graduate Gemologist

June 1994

ProsperUs, Detroit — Certificate

April 2016

PROJECTS

Current board member for *The Nott*, a co-working space

Past Board Member (Vice-Chair) for *Eastside Community Network*, a non-profit geared towards business growth in east Detroit.

Organized 4 different mural projects in Detroit with local youth

Had commissions for my own art pieces to: Eastern Market, Wayne State University, Angles of Hope, Aretha Franklin Amphitheatre... just to name a few

SKILLS

Managed up to 40 person teams

Organized, inventoried and responsible for a large amount of goods

Helped organize large and small events

Founded and manage a successful start-up company

Worked on marketing and social media campaigns for several different companies.

AWARDS

Motor City Match, I wrote and was awarded this grant three times with the final one being the cash award of \$65,000

Motor City Restore, I wrote and was awarded 1st round design, also helped and won three grants for my neighbors

Bank of America Foundation, I was awarded \$10,000 to execute a sculpture idea in Detroit

D&C Designer of the year 2006, The award was a combination of designs, customer service and gross sales
