Capability Statement

CAPABILITIES

Full Service General Contractor

Haass Construction was established in 1979 and has been providing excellent service to its clients since then. We can perform single projects up to \$6MM but also can handle small service requests. Haass Construction is a woman owned small business.

Cabinets, Countertops, Custom Woodwork

Haass Construction operates a full-service cabinet shop that has the ability to produce custom cabinets, countertops and wood work. Our skilled craftsmen are truly the best in the business and the only limit to what we can build is the imagination.

DIFFERENTIATORS

Army Corp of Engineers CQM-C Certified Project Managers and Superintendents

Haass Construction wants to deliver the best project to you. Our Project Managers and Superintendents have successfully completed the Army Corps of Engineers QCM-C Program.

LEED Accredited Project Managers and Superintendents

Green Building is becoming the new normal and a growing request or requirement to many projects. Haass Construction has LEED Accredited Professionals on staff to help with this process.

40 Years of Building in Wyoming

We provide unmatched construction experience and have developed strong relationships with local subcontractors.
