

Rev. Dr. Debora Barr

Therefore, if anyone is in Christ, he is a new creation; old things have passed away, behold, all things have become new.
2 Corinthians 5:17

Reverend Dr. Debora Barr serves as an Associate Pastor at First Baptist Church of Glenarden, Maryland, where she founded a ministry called All Things New that helps people who experience unwanted Same-Sex Attraction (SSA) and sexual brokenness to understand the causes and healing of SSA by searching the Word of God and developing an intimate relationship with Jesus. This Ministry was born out of Debora's transition out of nearly two decades of homosexuality through the love and support of a women's Bible study group and the leadership of a church that was not willing to compromise their convictions while continuing to welcome and embrace her as God worked in her life. She also helps families, friends, pastors, and ministry leaders to understand homosexuality and empowers them to minister to people who are experiencing SSA.

Debora is the author of *All Things New: a former lesbian's Life-long Search for Love*; *All Things New – a Discipleship Ministry for Healing*; *All Things New – a Discipleship Ministry for Life Transformation*, and *Life Transformation Day by Day, a 31-day Devotional*, and is the host of Transformed by the Word Podcast. She holds a Master of Divinity from Denver Seminary and a Doctor of Ministry from Regent University. She currently serves as the Director of the Washington, DC Extension campus for Denver Seminary.

Debora has a passion for teaching, preaching, speaking, and writing about personal intimacy with Jesus, helping direct people to Christ's unconditional love and healing power. She loves the Lord with all her heart and desires to help people completely transform their lives through their relationship with Jesus!
