

Douglas County is located in the far northwest corner of the state of Wisconsin, situated next to Lake Superior. The City of Superior is the county seat. Douglas County is home to the villages of Lake Nebagamon, Solon Springs, Brule, Oliver, Poplar and Superior. Townships in Douglas County include Amnicon, Bennett, Brule, Cloverland, Dairyland, Gordon, Hawthorne, Highland, Lakeside, Maple, Oakland, Parkland, Solon Springs, Summit, Superior and Wascott.

The Douglas County Genealogy Club was formed to promote genealogy within Douglas County. The mission quickly became to help members solve their brick walls and further their genealogical research and education. We are a learning club; our programs center on resources available in the area, research techniques, and focus on helping our members become better genealogists.

We meet the first Tuesday of each month at 6 pm usually at the the Bong Airport (4700 Hammond Ave) After a short business meeting we have a program followed by a time of sharing our genealogical triumphs and brick walls with each other.

Past programs have included: record types (such as land records, probate records and vital records); how to search genealogy websites such as Ancestry.com and FamilySearch.com; Genealogy DNA; and using Douglas County historical records. We also have had programs on organizing your genealogy and photo-editing for genealogy. Every July we meet at a local cemetery.

We are an affiliate club with the Wisconsin State Genealogical Society. Our monthly club newsletter is delivered via email.

Be sure to visit our website, www.douglaswigenealogy.org and "like" us on Facebook.

If you would like to join the Douglas County Genealogy Club, please fill out the attached form and mail with your \$10 annual dues to:

(Please make check out to DCGC)
