Community Supported Agriculture 2018 Market CSA Contract Agreement

This contract establishes my participation with the Bayberry Fresh Community Supported Agriculture (CSA) program, running during the 2018 calendar year. I understand that this program is an experimental venture for Bayberry Fresh, and that Bayberry Fresh's crops are susceptible to certain inherent risks (extreme weather, pests, unexpected crop failure, etc.). Thus, I understand that Bayberry Fresh cannot guarantee exact quantities or selections, and by joining the Bayberry Fresh CSA I am acknowledging and accepting the consequences that those risks involve. I also understand I am purchasing raw (not processed or washed) produce to consume at my risk. I agree to pay the full amount of the CSA with the submission of this contract, on or before May 1st, 2018.

Payable to Bayberry Fresh LLC: \$200 per share (Cash/Check/Credit Card accepted)

All information is confidential.

CSA Information

This CSA is a market style CSA to be redeemed at any farmers market location Bayberry Fresh is attending. The \$240 of market credits you purchase for \$200 can be used anytime in the calendar year. Bayberry Fresh will be in attendance at the Fort Collins Old Town Farmers Market, Indoor Winter Farmers Market, Downtown Laramie Farmers Market and potentially other markets. We grow much of our produce pesticide free and with organic methods where possible. We focus on quality and affordable pricing so that you and your family always have the option to eat healthy!
