

INVEST IN YOURSELF.

Train for your career in health care today!

GUARANTEED JOB & PAID TRAINING AS A PHARMACY TECHNICIAN*

Work for a Leader in the Health Care Industry!

Over the past twenty years, the *Institute for American Apprenticeships* educated and developed employment opportunities for nearly 2,000 individuals in the health care, information technology, advanced manufacturing, and business services fields. We are accepting applications for our latest healthcare program. The program offers immediate employment, nine weeks of paid training at no cost, and apprenticeship as a **Pharmacy Technician** with *Genoa Healthcare*®, part of *Optum Rx*, and a member of the *UnitedHealth Group* family. There are up to 20 full-time positions being offered this session.

- Enrollment in a Registered Apprenticeship, with full-time employment upon enrollment
- Up to 20 full-time positions available
- Guaranteed starting wages
- Performance-based increases
- Full benefits, including health, dental, paid vacation, 401k, and more
- No cost to participate

*Continued employment contingent upon good standing in apprenticeship program

The Apprenticeship Program is in partnership with:

PROGRAM FEATURES:
