Juniors News

- Brett will send out the proposed budget for the District tonight for review. Brett is recommending that we increase the Jr. umpire game to \$75 total.
- Doug B asked if only one umpire showed up to the game if they got the entire amount. Bryan Goodman said it's decided on a case-by-case basis. If he sees that there is an empty spot on a game, he tries to always fill the spot so no one works alone.

- Doug B asked if based on the budget that was shown if the leagues had paid the 2023 assessment for the Spring season. Brett said no that what was just paid was for the Fall season
- It was asked if the assessment for Juniors could be adjusted based on the number of teams that actually play in the Spring and Brett said yes.
- No one has heard from any City that there will be an increase in park or light fees, but the chalk fee is going up along with the cost of baseballs.
- Discussion on whether we would allow 15 year olds into the Juniors division. Limiting the number of 15 year olds and them not being eligible for All Stars was discussed. A vote was taken and it was decided to not let 15 year olds into the Junior division.

Around the District:

- ALL – Registrations are up from this same time last year. Opening Day is 2/25/23
- CALL – Planned opening day is 3/25/23
- CNLL – Planned opening day is 3/25/23
- TGLL – All good but asked when everyone else was doing opening day.
- TRSLL – Nothing to add
- TSLL – Brought up discussion about the issues that occurred during the Fall season for Juniors. Parents were concerned about perceived rule changes during the season and police having to be called. Bryan said most of the issues were that managers didn't either understand the rules or didn't want to abide by the rules. Discussion on how managers are responsible for their parents and didn't see anyone monitoring unruly parents. Chris mentioned that it seemed like San Tan seemed to have a lot of issues, so they probably won't be invited back next Fall.

Next Meeting – January 11, 2023

Motion to adjourn
