- This budget is for the Spring season only. It does not include All Stars or the Fall season.
- League assessment was changed to be based off the number of leagues rather than the number of teams.
- Juniors' assessment is based on the number of teams.
- TGLL asked if there was an estimate for how much per team All Stars will cost. Brett let them know based on last year's expenses and number of teams it would be around \$275. If we have more All Star teams the cost could be lower but if we have less All Star teams the cost could be higher.

Motion to approve the budget was made and was unanimously approved.

### **Junior's update:**

- Managers meeting on Tuesday 3/21 at 7p at the Zipp's in Chandler on Ocotillo and AZ Ave.
- If a manager cannot make it, then a team representative needs to be present. Most of the issues we had with this division have been due to managers not being at the meeting.
- TSLI asked if Bryan can go over the bat requirements for Juniors. A link was provided during the call and suggested to also go to [littleleague.org](http://littleleague.org) for information. Bryan will address this during the meeting.
