BEGINNING – For dogs 7 months and older. This class is designed to teach you to train your dog in basic obedience skills such as: sit, down, come, stay, heel, etc. or to review and strengthen what they already know. Socializing your dog in a class situation is an added benefit. *Class limit: 12*

BEYOND BEGINNING – We will expand on the Beginning curriculum and introduce new dog behaviors through games and play, as well as traditional training methods. Learn to communicate more clearly and have a better relationship with your dog. *Class limit: 10*

BEGINNING NOSEWORK – This class will help you understand your dog as they search for scents such as birch and anise, which are used in AKC, UKC and other organizations. Your dog needs to have taken a Beginning class or have permission from a KDTC Training Director. Please bring a crate, water and various treats as we watch each other and share. *Class Limit: 8*

CONTINUING NOSEWORK – Beginning Nosework with KDTC is a prerequisite for this class. It will expand from ideas and skills of handler and dog. No two dogs or classes will be the same! CGC – For dogs that have successfully completed Beginning class, this class concentrates on fun & motivation, communication & increasing basic skills. At the end of the session, dogs will be tested on 10 prescribed behaviors, which will be presented & practiced during class. Dogs who are successful can earn the AKC Canine Good Citizen title. Some sample skills are: come when called, sit/stay, loose leash heeling, sitting politely for petting, etc. *Class Limit: 12*
