CLASS DESCRIPTION

Puppy - For puppies 9 weeks through 6 months. Instructional lectures are included. *Class limit: 12*

Beginning – For dogs 7 months and older. This class is designed to teach you to train your dog in basic obedience skills like: sit, down, come, stay, heel, etc. or to review and strengthen what they already know. Socializing your dog in a class situation is an added benefit. *Class limit: 12*

Nosework- This class will help you understand your dog as they search for scents such as birch, anise as used in AKC, UKC and other organizations. Your dog needs to have taken a Beginning class or have permission from a KDTC Training Director. Please bring a crate, water and various treats as we watch each other and share. *Class limit: 8*

CGC/A – For dogs that have successfully completed Beginning class, this class concentrates on fun & motivation, communication & increasing basic skills. The third and most advanced level of the Canine Good Citizen Program. The goal is to test the dog's skills in a natural setting. For example, rather than the dog being tested in a ring, the "walks through crowd" test item will involve the dog walking through a real crowd at a dog show, on a busy sidewalk, at a training club or in a local park. Dogs who pass are eligible to earn the AKC's "CGCA" title. To earn the CGCA title, the dog must 1) be registered or listed with AKC (AKC number, PAL, or AKC Canine Partners number) and, 2) already have a Canine Good Citizen award/title on record. *Class Limit: 10*
