CLASS DESCRIPTIONS

PUPPY - For puppies 10 weeks through 6 months. Instructional lectures are included. *Class limit: 10*

BEGINNING NOSEWORK – This class will help you understand your dog as they search for scents such as birch and anise, which are used in AKC, UKC and other organizations. Your dog needs to have taken a Beginning class or have permission from a KDTC Training Director. Please bring water and various treats, as well as a crate for your dog to relax in while observations are shared & discussed. *Class Limit: 8*

CONTINUING NOSEWORK – Beginning Nosework with KDTC (or Instructor's approval) is a prerequisite for this class. It will expand from ideas and skills of handler and dog. No two dogs or classes will be the same! The relationship with your dog will be enhanced from your words, engagement, body language and equipment. Please bring a crate, water and various treats. *Class Limit: 8*

RALLY – is a newer obedience sport, where the dog and the handler maneuver through a course of stations (signs) in numerical order. Each sign indicates a specific behavioral skill. This class will teach you and your dog how to successfully navigate a course. Rally has 3 levels (Novice, Advanced, and Excellent) and students at different levels may be in the same class. Rally competition is offered by several registries including: AKC, UKC, ASCA, CKC. *Class limit: 10*

CANINE GOOD CITIZEN (CGC) - For dogs that have successfully completed Beginning class, this class concentrates on fun & motivation, communication & increasing basic skills. Provides students & their dogs an opportunity to earn the American Kennel Club's Canine Good Citizen title. *Class limit: 8*

BEGINNING OBEDIENCE – For dogs 7 months and older. This class is designed to teach you to train your dog in basic obedience skills such as: sit, down, come, stay, heel, etc. or to review and strengthen what they already know.
