NEXT SAVC MEETING - Tuesday- August 16, 2022 – 8:30 a.m. - Saucy Q

1111 Government Blvd–Mobile AL

On the web – <http://www.savc.info> - Facebook — South Alabama Veterans Council

Presidents Corner:

July has been a busy month for the SAVC. We made a couple trips to the "Oscity's" manufacturing plant/facility and labs in Foley, AL. Past Mayor of Mobile, Mike Dow, introduced to us the production and testing of the CBD products of his company "Oscity's". If you have been listening to "Scuttlebutt Radio", you would have heard more about these products. We will have an Oscity's Rep to talk to us in September. The visits were a real eye-opener.

We also traveled to the Montgomery State Capital to support Veterans Recovery Resources (VRR) to support their effort in establishing approval for their in-patient detox facility\ here in Mobile. Their proposal and briefing was accepted by the State Board. More to follow on these two subjects, so stay tuned.

This month, Ms. Melissa Davis from Radney/Dignity Funeral Homes will brief us on Veterans Benefits and Planning Services. She will also provide everyone a copy of their "Planning Booklet" to inform and help our Veterans and their families with the important planning process. I think each and every Veteran Family needs to hear this briefing, so bring your Spouse.

We are working with Pete Riehm to see if we can get a tour of the USS Comfort before she leaves Mobile after her repair and re-fitting."

Lou Lartigue, President USA (Ret)

Chaplains Corner:

Good Morning!

It's be blessed; Read Psalm 1: 1-3

"Blessed is the man who does not walk in step with the wicked or stand in the way that sinners take or sit in the company of mockers, but whose delight is in the law of the Lord, and who meditates on his law day and night. That person is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither- whatever they do prospers."

Lord, we want to stand with you today. Guide our thoughts, our words, and our actions to reflect the truth and goodness of a loving God. Let us take a stand for You, Lord, a stand for all to see. Let us be a righteous, worthy ambassador for you, this day and every day.

In Jesus' Name, Amen!

In JESUS' Name Amen!

Korean War Veterans Memorial

Wall of Remembrance Dedication Ceremony

On Wednesday, July 27, 2022 the Korean War Veterans Memorial Foundation hosted the Korean War Veterans Memorial Wall of Remembrance Dedication Ceremony.

The Wall of Remembrance will be a new focal point at the Korean War Veterans Memorial — a remembrance wall featuring the names of more than 36,000 Americans who died supporting the War and over 7,100 Koreans who died while augmenting the Army.

Why are there different numbers of soldier statues at the Korean War memorial?

The statues **represent the different branches of the military, Army, Air Force, Navy and Marines**. On a sunny day you can see the reflection on the wall of the 19 statues. If you count the 19 statues and the reflections on the wall you get 38. The 38th parallel is the demilitarize zone.

How many US citizens died in Korean War?

Almost 40,000 Americans died in action in Korea, and more than 100,000 were wounded.

Was Pork Chop Hill North or South Korea?

Was Pork Chop Hill North or South Korea?

With the final signing of the armistice agreement at Panmunjom on July 27, 1953, Pork Chop Hill became part of the demilitarized zone between **North and South Korea**. It has since become a symbol, both positive and negative, of a controversial war. How did the Korean War end?

After three years of a bloody and frustrating war, the United States, the People's Republic of China, North Korea, and South Korea agree to **an armistice**, bringing the fighting of the Korean War to an end. The armistice ended America's first experiment with the Cold War concept of "limited war."

The Carey Gold Star Family - attended the Korean War Memorial "Wall of Remembrance" dedication in D.C.

On July 27th, in Washington DC, Col Steve Carey, with his brother Col Tim Carey and daughter Camille, attended the Korean War Memorial "Wall of Remembrance" dedication as a Gold Star Family honoring their uncle, Lt James Desmond Carey, who was shot down as an F-86 pilot in the 334th Fighter Squadron in 1952.

Lt James Carey never returned home, but this wall with his name engraved gave our nation a chance to honor his sacrifice. Steve's father commanded the 334th Fighter Squadron and deployed the first F-86s to Korea in the summer of 1950. Two years later, his younger brother, Lt James Carey, deployed and flew out of the same squadron defending the Korean Peninsula. Lt James Carey was part of a family legacy of aviators who flew in World War II, Korea, Vietnam, and the Gulf War. Lt Carey left behind his wife and a new baby boy that he never had a chance to meet. The Carey sons continued their family's Air Force tradition and someday hope to bring their uncle home.

VFW Elects First Iraq War Veteran to Lead Organization

When it comes to recruiting and retention, 'Every Veteran Counts!'

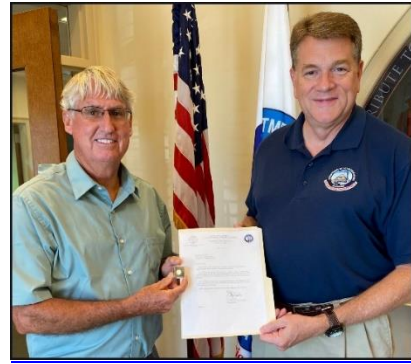

KANSAS CITY, Mo. — Timothy M. Borland, of Benson, Arizona, was elected today as the new national commander of the Veterans of Foreign Wars (VFW), a congressionally chartered veterans service organization comprised of more than 1 million eligible veterans and military service members from all six branches of the armed forces.

"My slogan this year is 'Every Veteran Counts,'" said Borland. "It's our service to country, and courage to defend that country that makes us veterans. Every veteran from every war and conflict is important."

Borland's election as the VFW's 114th Commander-in-Chief occurred at the conclusion of the organization's 123rd national convention in Kansas City, Missouri. The gathering was the first full national convention since 2019. During his acceptance speech, Borland urged the members both attending in person and watching via live-streaming video, to welcome the new generation of veterans eligible for membership in the VFW, noting the significance of his election.

"There's a new wave of veterans that have returned home from the wars in Iraq and Afghanistan and they're ready, willing and waiting to join our ranks. One of those veterans is standing right here behind this podium," said Borland, referring to himself. "I am an Iraq War veteran and very proud to be the first as your Commander-in-Chief."

AMBUCS is a national 501(c)(3) nonprofit charitable organization founded in Birmingham in 1922, inspiring mobility and independence by providing custom fitted, therapeutic tricycles (AmTrykes) to children and adults with disabilities. For Veterans, the disability doesn't have to be service related.

MISSION:

Enriching Veterans' Lives: Vision: Forging America's Leading Health And Wellness Community For Veterans

In the military, service members push the limits of their well-being to support the mission. That selfless service posture has always been necessary because service members of every era knew they may be called to war. As they move into civilian life, many veterans carry that mission-first mindset with them, neglecting their health in the process.

We believe that veterans are America's most resilient citizens — and it's time for more veterans to prioritize their well-being first.

Team Red, White & Blue (Team RWB) exists to guide them through that journey with real-life and virtual opportunities focused on building a healthier lifestyle because a strong focus on mental and physical health is critical to ensuring veterans' best days are ahead.

More than 200,000 members are already forging the nation's leading health and wellness community for veterans. Will you join the team?

In an effort to get the Mobile Chapter of Team RWB up and running, the Eagle Leadership positions need to be filled. I hope some of you may be interested in some of these positions. If not, and you know of someone interested in joining Team RWB and may be interested please let me know

Here is the list of positions, details concerning each are in the playbook.

The Alabama Department of Veterans Affairs (ADVA) celebrated the upcoming construction of the Command Sgt. Maj. Bennie G. Adkins State Veterans Home on Friday with a ceremonial groundbreaking.

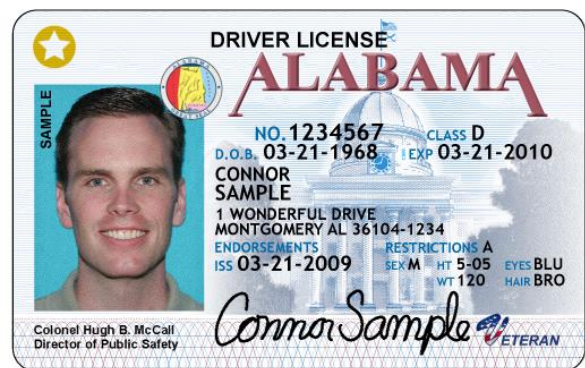

ADVA Commissioner Kent Davis and additional ADVA staff were joined by the State Board of Veterans Affairs (SBVA), representatives from the Alabama State Legislature, and officials with the City of Enterprise, Coffee County, and Fort Rucker, as the new state-of-the-art long-term healthcare facility for Alabama Veterans was recognized.

Since May 1, 2013, Alabama veterans have had the option of displaying proof of military service on their driver licenses.

To establish proof of service, a veteran must visit one of the Alabama Law Enforcement Agency's Driver License examining offices, a license commissioner's office or probate office, and present a DD-214 form from the U.S. Department of Defense that shows an "honorable" or "general under honorable conditions" status.

There is no additional charge for the veteran designation for a first-time driver license applicant or for an individual seeking to renew his or her license. A veteran who chooses to add the designation before his or her renewal date, however, must pay the standard fee for a duplicate license.

New 988 number for mental health crises has launched

MONTGOMERY, Ala. (WSFA) - A new three-digit number that connects callers directly to the National Suicide Prevention Lifeline will go online Saturday.

The line will connect callers to trained counselors who will listen, provide support, and work to understand the mental health problems these callers are experiencing, and connect them to resources.

It's no secret that people with mental illness don't get the help they need when they experience a crisis. The National Suicide Prevention Lifeline has proven effective since its establishment in 2005. The three-digit number 988, similar to 911, will make it even easier for folks across the country to connect with help near them.

The Lifeline has a network of counselors at local crisis centers who answer the contacts the Lifeline receives every day. Numerous studies have shown that callers feel less suicidal, less depressed, less overwhelmed, and more hopeful after speaking with a Lifeline counselor.

Col Patrick Downing reported as of July 1, the State Cemetery in Spanish Fort has had 3193 internments.

Another victory in the fight to bring these desperately needed, life saving services to Service Members, Veterans, First Responders and families in Alabama.

Thanks to all those who made the trip, those who sent letters of support, our Veteran community, our recovery community and our amazing legal team!

We're often asked, "**What does VRR do?**" Reflecting on one year as the nation's only CCBCCH dedicated to serving Service Members, Veterans, First Responders and their Families (SMVF), it's clear what VRR does. VRR creates space and time for miracles to occur. Here's one - there are hundreds more...

No shushing here! The modern library is more than just a repository of books – they're public spaces designed to foster connections while keeping pace with technology and the needs of the community. Come check it out!

<https://cbsn.ws/3z1vwEh>

On a recent Monday morning, the citizens of Kanawha County, West Virginia, came to check out a new chapter in the life of an old institution. After more than two years and \$32 million in renovations, downtown Charleston's public library reopened to the public – less a warehouse of books, and more a marketplaces of ideas.

Inside, visitors discovered a brand-new cafe, a tool-lending library, and an "idea lab" full of the latest technology. From podcasting booths to computerized sewing machines to augmented reality screens, the facility has been updated for the modern age.

There was an excitement you could see AND hear – which is exactly what the librarians were hoping for. Erika Connelly, director of the Kanawha County Library, said, "Librarians from time immemorial, like, you're 'Shh'!"

The library was officially reopened to the public in May 2022 following a \$32 million renovation, more than a decade after plans first originated to rebuild or renovate the library. The multi-floor branch now includes 20,000 square feet of new space and a Sky Bridge across Quarrier Street.

How the Marines ripped through the Iraqis in Operation Desert Storm – James Elphick

3/11/22

When Saddam Hussein ordered the invasion of Kuwait, the Marines were one of the first units to respond. By Feb. 23, 1991, I Marine Expeditionary Force was controlling two reinforced Marine Divisions poised to strike Iraqi forces in Kuwait.

The 100-hour ground war cost the Marines five killed and 48 wounded. In that time, they fought over 100 miles through occupied territory, crushed seven Iraqi divisions, destroyed over 1,600 tanks and armored vehicles, and took over 22,000 prisoners.

The American Legion Legacy Run

Mark Clark

June 7

The 2022 Legacy Scholarship Run will take place from August 21-25 and we will ride from the USS Alabama Memorial Park to Post 434 in Oak Creek, WI. Along the way we will stop at some beautiful memorials, visit some unique and fun sites, and spend time with our American Legion Family at American Legion Posts. We will have lunch with veterans at a state veterans' home, we will lift the spirits of a community devastated by a tornado, and we will honor our fallen brothers and sisters.

Registration is open. To learn more or to register, please visit <https://www.legion.org/.../2022-legacy-run-registration...>

You can register for the ride or you can register as a supporter to support the ride. Either way you get some cool stuff as part of your registration.

The American Legion Legacy Run will take place Aug. 21-25, 2022. The 1,200-mile ride will leave from the USS Alabama Memorial Park in Mobile, Ala., on Aug. 21 and travel through Mississippi, Tennessee, Kentucky, Missouri, and Illinois before winding up at American Legion Post 434 in Oak Creek, Wis. – a 20-minute drive from Milwaukee, the site of the 2022 American Legion National Convention.

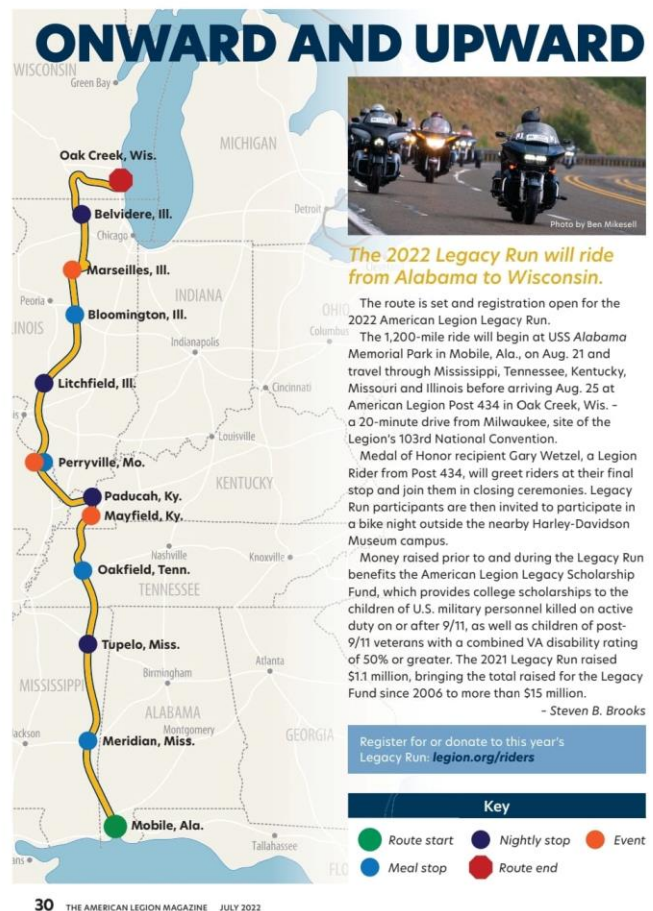

The American Legion wants to ensure higher education is a possibility for children whose parents lost their lives while serving our country. Beginning with the 2017 award year, The American Legion expanded the scholarship to include children of VA-rated, post-9/11 veterans with a combined disability rating of 50 percent or higher. The American Legion and the Legion Riders offer support through the Legacy Scholarship Fund.

<https://www.legion.org/riders/scholarship>

The American Legion Legacy Scholarship for 2022 is awarding \$705,937 in financial aid to 71 children of post-9/11 veterans.

The American Legion Riders have been the most dedicated fundraiser and supporter of the Legacy Scholarship through their annual Legacy Run, having raised more than \$12 million. For more information about the Legacy Scholarship or to make a donation to the Legacy Scholarship Fund, visit [legion.org/scholarships/legacy](https://www.legion.org/scholarships/legacy).
