Why Humble Savage?

The foundation of this program is built on family & every decision made within this organization is with the best interest of the youth in mind. We aim to teach players the fundamentals of the game of basketball and inspire players to utilize newly acquired skills during competition settings. We develop our players to reach their fullest potential as an individual as well as a great teammate on and off the court. In the end, it's our hope that each player will develop important life skills while enjoying a positive experience, build lasting relationships and ultimately grow to love this great game of basketball .

WELCOME

This is an exciting moment to join the Humble Savage Club Basketball Travel Team family as we embark on another journey to participate in some of the most competitive tournaments across multiple states. The upcoming season is anticipated to be both competitive and demanding, requiring a significant level of commitment from everyone.

Our program will be a tremendous growth experience for your child. Although we can't promise an athletic scholarship in the future, we do our best to work through our networks to help your child attain the necessary exposure needed for their success.

Our philosophy is built upon positive reinforcement, highlighting the significance of hard work and effort. At Humble Savage, we encourage players to give their all during every practice and tournament, fostering a mindset of leaving everything on the floor.

Our teams will be competing in challenging environments, demanding dedication and teamwork for overall success.

Are you prepared to put in the WORK? The time is now.

FINANCIAL OBLIGATION

Parents are required to fulfill all financial obligations for their child to be eligible for participation on our local/travel team. The overall participation cost is deemed reasonable, considering the valuable exposure and competitive opportunities that your child will gain from this experience.

FUNDRAISERS

Parents will be accountable for covering our coaches' travel fees; however, it's important to note that these expenses can be alleviated through participation in some of our fundraisers. Fundraising plays a crucial role in supporting the entire Humble Savage organization. Given the substantial and occasionally unexpected costs associated with travel basketball, including fees, tournament expenses, registration fees, and miscellaneous costs, fundraising serves as an essential avenue to offset these expenses. As a requirement, all parents must actively engage in the organization's fundraising activities.

PRACTICE AND TOURNAMENTS

We dedicate significant time and effort to schedule practices and secure participation in some of the most competitive tournaments, providing valuable opportunities for both players and parents. To ensure success, consistent attendance at practices is imperative. The level of improvement a player experiences is directly correlated with the effort invested in basketball. Attendance and punctuality for practices are non-negotiable expectations for all players.

We kindly request that vacations and outings be planned during designated down periods to minimize disruptions to the team's progress. Your commitment to these guidelines contributes to the overall success of our program.

- Ensure that your child has transportation to and from practice and tournaments.
- Ensure your child has money to cover meals and miscellaneous expenses when traveling.

- Make sure that your child's expenses are fully covered. It is not the responsibility of another parent to cover unexpected costs for your child.

PLAYING TIME

WE DO NOT PLAY POLITICS: Playing time is determined by the coach's discretion. While all players are ensured a substantial amount of minutes, some may receive more playing time than others.

TOURNAMENT SCHEDULE

Our tournament schedule is posted in TeamSnap for your reference. It is imperative that all of our players 15U and up boys and girls are NCAA certified; failure to comply will result in their inability to participate in live period tournaments. Take note of the tournament dates, times, and locations, and ensure that your child is available for all scheduled tournaments.

To register for NCAA certification, please visit <https://web1.ncaa.org/bbcs/>

Once registered, we will include you on the roster to ensure completion of the certification process. Your timely attention to this matter is greatly appreciated.

REFUNDS:

Refunds will not be issued for our program under any circumstances.

COMMUNICATION

We utilize the TeamSnap app as our primary communication channel with parents. It is crucial that you download it, check regularly, and enable updates to stay informed about all our Spring/Summer season information.

Feel free to reach out to your head coach or email info@humblesavage.com for any assistance or information regarding team coordination, administrative matters, and finances.

COACHES

We are committed to maintaining a professional level of communication with parents. While coaches and parents may have disagreements, fostering good communication and cooperation is essential. Our travel coaches comprehend the responsibilities that come with leadership. While it is crucial to maintain an open line of communication with parents, establishing boundaries is equally vital. Prior to any one-on-one meetings, coaches are obligated to discuss issues or concerns with assistant coach, program direction or 3rd party. This ensures a collaborative and informed approach to addressing any matters that may arise.
