Katrice Hardy

Executive Editor, Dallas Morning News

LUNCH IS FREE!!!

Katrice Hardy is the Executive Editor of The Dallas Morning News. Before that, she was the executive editor of the IndyStar and Midwest Regional Editor for USA Today Network.

Katrice joined USA Today Network in 2016, where she started as the top editor of the Greenville News and then took on responsibilities as South Regional editor for the Network, overseeing news organizations in South Carolina, North Carolina, Louisiana, Alabama, Mississippi and Virginia.

Previously, Katrice worked at the Virginian-Pilot for 20 years where she started as an intern and left as the managing editor.

Katrice is a board member of the Marshall Project and the News Leaders Association. She's also a member of the National Association of Black Journalists, where she is a former president of the Hampton Roads, Virginia chapter of that organization. She is also a former executive board member for the South Carolina Press Association. Katrice's newsrooms have won many top honors including a Pulitzer Prize in national reporting while she led the IndyStar and an IRE Top medal for investigative journalism.

She believes strongly that a news organization's role is to shine light on the wonderful people and organizations that are making a difference in our local communities as well as it is to uncover the problems, ills, misuses and abuses to help bring about positive change.

Meeting Recap

In case you missed it...

Our program was in PDG Lion Wayne Meachum's words "the best lawyer in the world." Rob Crain actually spoke about his efforts with another community stalwart Rev. Richie Butler to help start conversations about race relations in the city through their "Together We Dine" facilitated discussions. He shared a very powerful experience as a college student traveling from UT to North Carolina and a hunting trip experience that went dreadfully wrong. We learned a lot about how the community leaders of Dallas are working to bridge the gap of race relations and help foster healing conversations to move forward united.

We also had a lot of fun before the program too... mostly picking on Past President Lion John Dodd.

Maverick Pickup

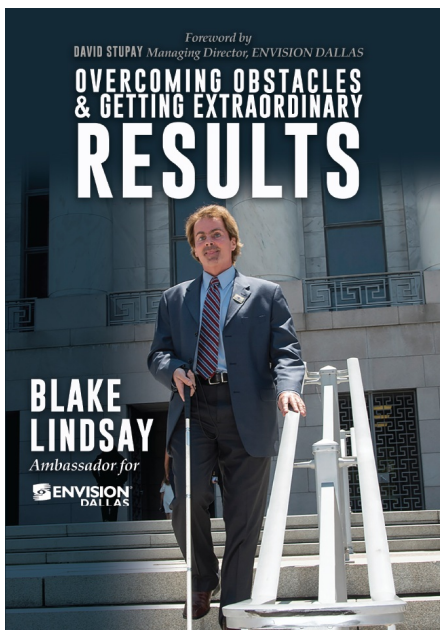

Support LSTF. Win a Truck!

The Lions Sight and Tissue Foundation has been part of District 2X-1 since 1956 with OCLC as one of the founding member clubs. This year LSTF has examined over 2,300 North Texans and we've put glasses on nearly 2,000 of them. But this comes at a cost of fuel, bus maintenance and equipment.

To raise money, LSTF is selling tickets to win a 2023 Ford Maverick Hybrid Pickup Truck. Tickets are \$100 each, and no more than 1,000 tickets will be sold. The winning ticket will be drawn at the Denim & Diamonds Gala in June.

Visit <https://go.eventgroovefundraising.com/lstf> to purchase.

Buy Lion Blake's Book to Support OCLC

Our President Lion Blake Lindsay has released his book *Overcoming Obstacles and Getting Extraordinary Results* this month and has offered to sell discounted copies of the book as a fundraiser for the Oak Cliff Lions Club.

The MSRP of the book is \$19.95, and he will offer copies to OCLC members and guests for \$10 each with \$5.80 going to the OCLC Activity Account to support our charities.

We are honored to have such a generous and inspiring leader this year. To read more about his book and story, visit the link below.
