Wall of Wisdom

“Once you chose hope, anything’s possible.”

Christina brings 18 years of experience in the audio-visual industry, where she worked with corporations and schools to provide conferencing and communication technology solutions. After moving to Kemmerer nearly three years ago, she and her family have enjoyed putting down roots in the community and making it their home.

Christina is excited for the opportunity to serve the community in a new way and make a positive difference through her work at the Senior Center. She is passionate about building meaningful relationships and creating an environment where every member feels welcomed, valued, and connected.

As a mother of five and grandmother of two, Christina understands the importance of family, community, and supporting one another. Outside of work, she enjoys working out, listening to podcasts, and spending time with her family.

As Director, Christina's goal is to strengthen the Senior Center by improving processes, enhancing the overall senior experience, and fostering a culture where relationships matter. She believes the best ideas come from those we serve and encourages members, families, volunteers, and community partners to continue sharing their feedback and suggestions.

"I want the Senior Center to be a place where people feel heard, respected, and excited to participate. Please keep the input coming as we work together to improve and grow."

Christina looks forward to meeting each of you in the coming weeks and months. If you see her around the center, please stop by, introduce yourself, and say hello!

Welcome, Christina! We are excited for this new chapter at the Kemmerer Senior Center.

AND OUR NEW HEAD COOK

We would like to welcome Katy Kennedy as our new Head Cook. We can thank Union Pacific for bringing Katy, her husband and two boys to Wyoming from South Texas. Katy has loved to cook her whole life and got her first job in a restaurant at 15. She has cooked many different cuisines and thanks her grandmother for taking her to the best restaurants in San Antonio for it. Because of her husband's career they have moved a lot since 2018 and coming to Kemmerer is finally the place we can call home. After getting settled Katy realized that she would always regret not getting back in the kitchen. We are excited to have her join our staff. Katy says "Now I get to do what I love and that is cooking good food for our community."
