**Re: JUNE 2019 NEWSLETTER - CORRECTIONS**

Dear Brothers and Sisters,

Thank you, Shirley for doing such a fine job of putting our Newsletter together and getting it out on time each month. There were a couple of changes in my message that did not reach the Editor's desk in time. The corrections are highlighted for your convenience.

A breakdown of the accounting for the Veterans Fundraiser was submitted by Acting Financial Secretary **Gerry Garfagno**. Leonardo DaVinci will present a check in the **amount of \$6,817.13 to Soldiers Best Friend** sometime in June. Again, thank you so very much for your generosity and support of this worthwhile event.

We were asked for the 3rd year to participate at the Hearn Academy Cultural Day. The presentation put together by **Dr. Anthony Trifiro** and **Gerry Garfagno** was absolutely fantastic. It was interactive and the students really loved it and learned a lot about Italy. **Thank you, Antoinette Trifiro, Cathy Quagliata, Gerry Garfagno and Dr. Anthony Trifiro for volunteering again this year. The teachers and students were very happy to have us there to represent our Italian culture and customs. The students were especially impressed with the personal stories of our experience as young immigrant children in America. Great Job!**
