BENEFITTING HIGH SCHOOL 9:12

SATURDAY
8 AM - 12 PM

CLAY COUNTY FAIRGROUNDS
2497 FL-16 Green Cove Springs, FL

Final Meet Information

*****First of all, we would like to say how excited we are to be able to host this inaugural event, partnering with Clay County, Airstream Ventures and High School 9:12! Our hope is that this event becomes a staple in Clay County for both the high school and middle school levels. Please see below for the final meet information. A detailed map for parking, packet pickup, team camps, and the common start and finish areas can be found on page 3.*****

Race Location- The race will be held at the Clay County Fairgrounds, and the address is 2497 FL-16, Green Cove Springs, FL 32043. There is only one entrance and exit point (road FL-16) which should make it pretty easy to locate.

Parking- All cars will park in the parking area, which will be the first left you take as you pull into the fairgrounds. We will have volunteers to assist with the flow of traffic. As you can see from the map, there is only one entrance and exit point, so please be patient as you are exiting the parking area. **If you will be bringing a bus, please let me know so we have a general idea of how many busses to plan for.** There will be no charge for parking.

Arrival Times- The fairgrounds will open at 6:30am, and we kindly ask that no one or team shows up prior to 6:30am. As it will still be dark out, the fairgrounds and parking area will be well lit. **We would also like to ask that if you are just bringing a team to run the 3k or 1k, that you don't plan on arriving**

until after 8:30am, as that will give the parking volunteers time to get things set up for the next group of cars.

Packet Pickup- Packet Pickup is located to your right as you leave the parking area, walking towards the large Cattleman's Arena. The main entrance point from the parking lot to the team camps / course is marked on the map by the lavender star. You can pick up your race packet, and make payment (if you haven't already) under the Jacksonville Athletic Club tent. Next to packet pickup will be a few food trucks and vendors.

Entry Fees- Please email me directly if you are unsure on how much your team owes for entry fees. Checks should be made out to "Jacksonville Athletic Club".

Team Camps- There is plenty of space for team camps right next to the giant Cattleman's Arena. Please do not set up camp inside of the arena, but anywhere around it will be just fine.

Course Maps / Info- See below for the following course maps. We have a nice 2k loop as well as a 1k loop that should be both friendly and challenging at the same time. The majority of the course will be on grass, with some small percentage on cement as well as soft gravel. The course will be marked with cones, paint, as well as caution tape to hopefully make it easy to follow along.

Start Times- Due to numbers larger than we anticipated, we have decided to adjust the start times. The updated and final start times are below:

Girls 5k- 8:00am

Boys 5k- 8:45am

Girls 3k- 9:30am

Boys 3k- 10:00am

Boys and Girls Combined 1k- 10:30am

Timing / Results- All timing will be done by First Place Sports, and they will be posting the [results here](#).

Questions- Please direct all questions to eli@jacksonvilletrack.com or text 423 943 5507.
