

Bolles Mile Showcase

I hope that you are excited to see your athletes cover 1609.344 meters as fast as possible.

The Mile Showcase is set up to:

- Give your athletes one last shot at a fast mile (and 1600) prior to the Tournament Series
- Give athletes who do not make your District Lineup one last chance to end the season with a fast time
- Give your team unlimited entries for the mile event
- Allow your athlete to focus on one event under a festive atmosphere
- Give all a chance to go head-to-head with the best in the state before we are broken up into different classifications
- Allow fans to line the track during the races. Spectators will be given access to lanes six through eight.

Basic Schedule:

- Friday, April 12th
- Events will start at **6:00pm**
 - I will try to have a rough schedule once entries close.
- Races will alternate between Girls and Boys
- First couple races will be some of the slower sections
- These will be followed by the Freshman Miles
- Then onto the progressively faster sections until the Featured Fast Section

Entry Fee

\$10 per athlete with a Team maximum of \$100
