

# JACKSONVILLE ELEMENTARY SCHOOL

## TRACK AND FIELD CHAMPIONSHIPS

### Sponsorship Overview

The Jacksonville Athletic Club is hosting a city-wide elementary school track and field championship encompassing hundreds of kids from different elementary schools across Northeast Florida on Saturday, April 25<sup>th</sup>, 2020. The purpose of this meet is to provide early exposure to elementary school children to the sport of track and field in a fun team environment. Prior to the meet, the Jacksonville Athletic Club is hosting two free two-hour track and field clinics to any child, parent, or coach/physical education teacher who is interested in learning more about different track and field events. This event is a direct reflection of the Jacksonville Athletic Club's mission of advancing the sport of track and field in ways that increase youth's physical health, social well-being, and self-belief.

The Jacksonville Athletic Club is looking for individuals and businesses who are passionate about the health of Northeast Florida youth and believe in the power of athletics. All sponsorship dollars help offset the cost of putting on the meet. Costs include track rental fee, specific equipment (youth hurdles, throwing implements), t-shirts, awards, and facility rental.

Please review the following page to see how you can support this exciting event for the youth of Northeast Florida. This meet and the free clinics leading up to it are designed to be a welcoming and inclusive event for all kids and the best introduction to the sport of track and field in the Jacksonville area. The Jacksonville Athletic Club believes in creating a larger stage for kids to compete for their school while encouraging character, togetherness, and self-esteem from a young age. We are committed to creating new, fun, and unique opportunities to expose youth to the sport of track and field.

For more information on the meet, including events offered, age groups, implements used, etc., please visit our meet headquarters at [www.werunjax.com](http://www.werunjax.com)

Thank you,

The Jacksonville Athletic Club
