

JAC Youth and Open Meet #3

Final Meet Information

Saturday, April 10th, starting at 3:30pm

The Bolles School (7400 San Jose Blvd, 32217)

Please read below for the final meet information for our meet on Saturday

Arrival Time- The track facility will open at 3:00pm. Please do not arrive prior to 3:00pm, as there is another event scheduled prior to our meet.

Facility Layout- Please see page 3 for an arial view of the facility, with key locations noted.

Parking- You can park in the main parking lot right next to the football stadium, or you can park in the side “F” lot, which is closest to the pole vault and jumps area.

Weather Policy- There is a chance of rain on Saturday. We will continue the meet in the rain. If there is lightning and we need to delay, we will make an announcement over the PA, and people will be asked to either go under the bleachers, or in their cars until we get the all clear. Once the all clear is made, it will be announced on the PA, as well as posted on @JAC_TrackField on our Twitter account.

Middle School Team Camp Areas- Please set up on the practice field, or in the visitor bleachers. There will be no team camps in the home stands. The home stands are reserved ONLY for parents / spectators.

Parents Area- We kindly ask only parents to sit in the home bleachers to spectate. Athletes will not be permitted in the home bleachers. If they want to watch races, they should stay in their team camps (visitor side).

Check In Area- There will be announcements made over the PA about checking in for the events. You will check in at the starting line of your event. There will not be a clerking tent or a check in tent. Listen to the announcements, and check in for your event at the start line. There will be JAC coaches there to make sure that your athlete is in the correct heat and lane.

Final Time Schedule- See Page 2 for the final time schedule. We will try our best to run each event on time. If there is an overlap with a field event and running event, go do your running event, and then come back and do your field event. We can work with the athletes on doing some of the field events late, but the running events will run right on schedule.

COVID Procedures- We would kindly ask all parents to space out when they sit in the bleachers, and wear masks if they will be close to others for an extended period of time. Athletes and coaches are encouraged to wear masks when unable to be socially distant, and when not competing or warming up. We will make announcements during the meet to serve as friendly reminders.

Trash Pickup- As we would like to be able to continue to host meets at the beautiful The Bolles School, we would like to ask parents and coaches to do a good job of throwing away any trash that is in your area (or even not in your area). Any help you can provide with this will be greatly appreciated. We will have lots of trash bags at the packet pick up tent as well!

Results- Results from the meet can be found at jactiming.com, and will be uploaded to DirectAthletics and Milesplit for the MS teams.

Questions- Any questions at all please email eli@jacksonvilletrack.com or call / text 423-943-5507
