hurricane or
tropical storm

RED LIGHT (historically this happens to less than 5% of the practices scheduled)

- We have to cancel practice due to extreme weather conditions
- Everyone will be notified by 4pm the day of via email
- If any doubt or questions, text 423 943 5507 and ask
- After 2 red light practices, we will schedule a make up date

Example:
Forecast of 80%
chance of
thunderstorms

YELLOW LIGHT (historically this happens to less than 20% of the practices scheduled)

- We will still have practice, even if weather conditions look "iffy"
- If any doubt or questions, text 423 943 5507 and ask
- During yellow light practices, all coaches will still be at practice
- There is a chance yellow light practices will be cut short (see below)
- If during a yellow light practice the lightening siren goes off, we will wait 15 minutes under the bleachers
- After 15 minutes coaches will make a final call on whether to continue, or cancel the rest of practice
- Final call will be made either in person, or on @JAC_TrackField on Twitter (if you are in your car)
- After 3 yellow light practices, we will schedule a make up date

Example:
Forecast of
sunshine or
partly cloudy

GREEN LIGHT (historically this happens to more than 80% of the practices scheduled)

- Full go practice!
