All inquires/questions go to Coach Tony Ryan at ryant@bolles.org

Schedule Information:

When: Friday, March 7, 2025

Where: The Bolles School

The schedule on this page is a rough approximation of when we think events will start. **The meet will be on a rolling schedule regardless of what is posted. If we get ahead of schedule, we will stay ahead of schedule!!!!**

Please be advised of the following:

- Fast heats of the distance races will be called to the track and introduced one-by-one, jogging to the starting line.
- Please claim championship shirts as soon as your event results are posted.
- There will be a designated warm-up area on the infield that is open to athletes (not coaches). This area will span the width of the field and will be inside the 25 yard line near the road. It will be roped off and blocked in by lacrosse netting. Unless reporting to the track for events, athletes are to be in this area only when inside the track.
- Coaches will not be allowed on the infield per FHSAA rule. Please do not make us enforce this rule! Failure to follow this rule can result in the races no longer being sanctioned
- Coaches will have a trackside area by the tennis courts (and 100m start) that they can be in.
- Let the timers time, if there is an issue speak to a Bolles coach first.
