Welcome to DEEP DIVING...

Deep Diving & Marine Services established in the year 2014 as a Partnership firm under the professional leadership of “*Mr. Ashok Kumar Sharma*” the retired from “*Indian Navy*” & “*Mr. Omprakash Tiwari*” the *Operation Manager* Certified ADCI Supervisor “*IMCA DIVER*” from *New Zealand* having a vast range of knowledge and experience in Diving field offshore and on-shore. Later on in 2019 the **Mr. Ashok Kumar Sharma** retire from the **DDMS** Now company run Under leadership of **Mr. Omprakash Tiwari**. Ha has been in this field since last one and a half decade and has rendered his services to various big offshore & onshore companies.

Since more than 6-Years we have been effectively deployed on various projects in different parts of India for esteemed Customers such as **NHPC, Adani, Dredging in Reliance infrastructure ltd., ABAN OFFSHORE PVT. LTD.** as contractor etc.

It is indeed immense pleasure to introduce ourselves as a state of the art one of the leading providers of all types of Underwater Diving services such as underwater survey and cleaning, repairs and maintenance of various underwater constructions. We provide Repairs & Maintenance for any kind of underwater diving equipment's and its re-furbishment process and also provide logistic support and diving manpower and undertake any kind of diving jobs for offshore services.

We have our own **Air System**.

Our assignments has been ranging from projects related to dams, docks, rivers, jetty, seabed survey, De-silting and various other types of underwater repair.

CERTIFICATE OF Recognized Service Supplier

This is to certify that

Deep Diving & Marine Services

located at

J-141, Veena Saraswati, Near Fire Brigade, Vasant Nagari, Vasai (East),
Palghar, Maharashtra, 401208, India

having been audited by ABS and having given a satisfactory practical demonstration of the service listed below, is recognized by ABS as a Service Supplier to provide services which ABS Surveyors may rely on to make decisions affecting classification or statutory surveys.

In-Water Survey

Attached Certificate Appendix provides specific scope of approval, authorized personnel, manufacturer authorizations, and subcontractors.

It is the responsibility of the Service Supplier to employ, train and qualify persons in the service provided. If the service requires approval from manufacturers, the Service Supplier is responsible to maintain contact with the manufacturer and maintain any service manuals up to date. Where required by the category of service, the Service Supplier shall provide valid evidence that it is authorized or licensed by the equipment manufacturer to service the makes and models of equipment for which approval is sought. If approval from the manufacturer is not attained, a surveyor must be present at time of survey to continue work. Alternatively, current written instructions from the flag state are to be obtained to continue work without the surveyor present. Service Suppliers must present photo identification, evidence of qualification and authorizations from manufacturers, as applicable, at the time of service.

The ABS office issuing this certificate is to be kept updated with changes to the management of the company, employees, equipment and models on the authorization list and any changes made.
