Cancellation and Late Policy

Late Policy

Precision Electrolysis of Morris County LLC is an appointment only based business. Each client has a set appointment time and length of treatment to ensure the most effective care possible for each individual. Late arrivals will reduce the duration of the treatment or cause the appointment to be cancelled or rescheduled altogether as we must accommodate the next client at their scheduled time. Late clients will be charged accordingly, and the price may vary depending upon the amount of time we are able to work. If you miss your scheduled appointment time, we reserve the right to charge in full for the missed appointment. We understand that circumstances arise that can be out of your control. If you are aware that you are running late or may miss your appointment, please call the office at (973)590-2045 to let us know. We will do our best to accommodate you.
