Swim-A-Thon®

Dear _____,

This is _____ and my King Marlin Swim Club teammates and I began raising funds for our team and the USA Swimming Foundation with Swim-A-Thon®! It begins March 31st and runs through April 21st.

A Swim-A-Thon® is a great way to combine something I love – swimming – with a wonderful cause. Together with my KMSC teammates, I will commit to swimming for either 15 minutes or up to 40 lengths of the pool. I'm asking my friends and family to sponsor me by sending a donation in support of my efforts and our club.

Funds raised from this event will be used by the KMSC Boosters to benefit all KMSC swimmers. The KMSC Boosters will be able to fund scholarships to swimmers in need, cover relay fees at meets, provide shirts for special meats, provide travel assistance to athletes, host competitions for our athletes and area teams, and much more! In addition, 5% of the funds will benefit the USA Swimming Foundation, which aims to save lives and build champions in and out of the pool.

I hope that I can count on you to help me achieve my fundraising goal for my upcoming Swim-A-Thon®. Please consider mailing your donation (payable to: **KMSC Boosters Inc.**) in the enclosed envelope. Or you can donate online, see below.

KMSC Boosters, Inc., is a nonprofit organization with 501(c)(3) status (tax id: 46-5473982).

Thank you for supporting me and KMSC!
