

# DevaCut - \$80

This revolutionary cutting technique was designed for all natural textures, from wavy to super curly. Hair is sculpted curl-by-curl, while dry, in its natural state according to your lifestyle, personality and preference. This service includes a transformation service and a personalized DevaCurl product prescription that makes it easy to maintain your style at home.

## How To Prepare For Your DevaCut

Please arrive at your appointment with your curls down, detangled and dry, in their natural state. Prior to your appointment, it's best to let your hair hang loosely - avoid ponytail holders or clips.

Appointment may have to be rescheduled or an additional fee will be charged if curls are not hanging loosely, dry and detangled in their natural state upon arrival.
