

CONDUCT POLICY

The Busy Bee Activity Center asks that all customers practice polite behavior and amicable social conduct while onsite.

The Busy Bee has strict expectations for conduct on site as we cater to young growing children and want to respect the rights of individuals in a pleasant and safe environment. The following behaviors are unacceptable and will not be tolerated toward anyone big or small, young or old: bullying, intimidation, inappropriate/abusive language, harmful/unwanted physical contact, verbal abuse, harassment, violent outbursts or aggressive/disruptive behavior and threats of any kind.

Cell phones should also be silenced and limited to text only.

For incidents and unwanted behaviors not listed above by our participants, we want our Busy Bees to be happy and successful and we understand children are always learning. Positive Behavior Intervention Strategies (PBIS) will be employed to remedy, teach and mend situations as an attempt to support the ongoing growth of our Busy Bees.

The Busy Bee Activity Center and The Beehive After-School Program has the right to deny admittance to any student/parent not meeting the standards of the program as it sees fit. If a situation occurs that does not align with our policy, a termination of services may be issued.
