- Automower® Connect
- GPS theft tracking
- Auto passage handling
- Manages slopes up to 24°
- Weather timer
- LED headlights
- Electric cutting
- height adjustment
- GPS navigation
- Available in 430XH model with cut height up to 3.6 in.

AUTOMOWER® 315X

Most advanced model in the 300-series. Mows complicated lawns up to .4 acre, handling narrow passages and slopes up to 22°, and taking tough terrain in its stride.

- Automower® Connect
- GPS theft tracking
- Automatic passage handling
- Manages slopes up to 22°
- Weather timer
- LED headlights
- GPS navigation

JUST ADD A SMARTPHONE AND YOU ARE IN CHARGE

Automower® Connect is a feature that gives you full control of the mower right in your smartphone. You can send start, stop and park commands, check and adjust the settings, and also receive notifications and track your mower's position in case of theft – wherever you are.

Download App available in Appstore and GooglePlay.

Compatible with Amazon Alexa, Google Home, and IFTTT Applets.
