Diane Lyne Gasparrini was raised in New York City by Irish parents who came to America as young adults. She earned a BA from the University of Mount Saint Vincent, an MA from Fairleigh Dickinson University and an MS from the College of New Rochelle . Diane is currently an adjunct professor at Saint Thomas Aquinas College.

## “ A Struggle for the Irish American Dream ”

A Struggle for the Irish American Dream shares an in-depth look at life in Ireland at the beginning of the twentieth century. The Lyne family of Eskadour, County Kerry encounters life-changing challenges that threaten their survival. Though most of the twelve children in the family are quite young, they bravely man a farm and battle members of the British forces Despite overwhelming odds, they overcome their obstacles and optimistically move forward. But when additional difficulties come their way, it is John, the sixth of the twelve children, who remains focused on his dream of living in America to find his fortune.

Among Mr. Rappaport's many accomplishments in his field, he notes his contributions to the hybrid energy system and his subsequent patent for a geothermal-solar hybrid power generating system as being his most notable achievements. He was also honored to serve as an invited speaker at The Planet Conference in Stockholm, Sweden, in 2007 on the topic of sustainability.

As one of just 200 individuals throughout the world to attend, Mr. Rappaport's speech, of the 14 solutions given, focused on utilizing biomass as a basis for carbon sequestration, sustainable power, cogeneration and instances of diversity in that area. He also had the opportunity to attend the 2016 Hello Tomorrow Global Summit in Paris.

### **“On The Verge Of Tomorrow”**

A visionary account from one of the pioneers in renewable energy, *On the Verge of Tomorrow* chronicles Marc D. Rappaport's extraordinary four-decade journey in shaping the future of sustainable power. From the invention of the groundbreaking geothermal-solar hybrid system in 1972—earning him a U.S. patent in 1978—to spearheading the creation of Biomass One, L.P., a 22-megawatt plant that has powered Medford, Oregon for over 30 years, Rappaport's legacy is one of innovation, perseverance, and impact.

## “ Thoughtful and Contemplative Verses of the Quran ”

As a practicing Muslim for the past forty-five years or so, I've often been puzzled by why Muslims all over the world are relatively backward and do not have enough capability to take care of themselves and other people who believe like them. It is clear that in the past, such was not the case. Muslims dominated the world for close to a thousand years. If you look at how they behaved in the past, it's very different from how they behave today.

It's not rocket science for Muslims to start behaving as they used to in the past. The changes are not too complicated. They just have to use their brains, the way they used to. If you read and understand the Quran, you'll find it to be quite flexible.

In this book, the reasons for present plight of Muslims and what needs to be done to correct that are mentioned. Some people may not like it, as is usually the case, but it's worth a reading.

I am indeed blessed that I have enjoyed a richly diverse forty-eight-year professional career in nursing. In addition to teaching, lecturing, and nursing practice I have had the opportunity to be a member of mobile medical teams internationally.

Now retired I can share lifelong experiences through my propensity for writing. I discovered in my mother's preserved family archives that I had been writing creatively since grammar school. Now, with my nursing years behind me and after successfully publishing three books over the last seven I am humbled when officially introduced as an author.

### **"When Duffy Smiles: The Adventures of Duffy the Canine Angel"**

WHEN DUFFY SMILES The Adventures of Duffy The Canine Angel. As described in my press release (to follow), Duffy is a very real dog who, by his very personality, inspired this project. However, as I thought about the subject, I knew that this would also be an opportunity to remind readers in the powerful omnipresence of a loving God who, despite the tumultuous pressures in today's world, guides and protects us.

I am hopeful that individuals and families will find inspirations to share through the gentle messenger of a canine angel. Perhaps even those who cannot see God in their world will be inspired by a canine connection.

### “ Why ”

"Why" is an excellent read that introduces two (2) racially different sisters born on a plantation. Although their life status is quite opposite, this story takes us through their shared experiences and interactions as they experience life through three different cultures. This book is a wonderfully researched story set in antebellum south. The story is intriguing and enlightening. It gives insight into the description and the intermingling of the African and Native American cultures during slavery. A must read! **--Hizspoon**

This book's the result of conversations with fellow Belizean expatriates with whom she discovered she has much in common, as they navigate their way in their new country of residence, The United States of America.

### “ The Color of Pain ”

The novel follows a young Garifuna boy, Alex as he reunites with his mother, Cathlean, who returns from England, after having lived there for a while. She schemes and marries a white British soldier in hopes of moving back to England to improve their lives. But as the family resettles in England, Alex finds himself very emotionally neglected and he turns to his stepfather for love and comfort.

A decade later, their journey comes full circle with a return to Dangriga, Belize—where Alex reconnects with his roots and finds love with Sherrette, sparking a powerful and passionate bond.

### “ Drawn To Leadership ”

Strong leadership has never been more essential or elusive in today's world. Among African Americans, the leadership gap is even more significant. But what makes a good leader? In "Drawn to Leadership," author Tehron Jaqui Bush - Christian, African American, business owner, and entrepreneur - examines why traditional leadership models fail and offer a blueprint for character-based, inclusive leadership designed to challenge the "relationship" with African Americans in the world community. His leadership model can revolutionize achievable results with governments, business organizations, and world culture.

Bush focuses on education for African American children, the need for African American mentors for today's youth, ethical marketing, strategic planning, and philanthropy. He presents a faith-based approach to developing leadership qualities. With working examples drawn from Bush's education and experience, readers learn the benefits and traits of a Christian servant leadership model with; critical decision-making, significant community involvement, leadership consistency, and much more.

### Rediscovering Connection through My Redemption from Pluto: Lessons Learned from Life's Relationships by Larry V. Dykstra

In *My Redemption from Pluto: Lessons Learned from Life's Relationships*, author Larry V. Dykstra invites readers on a soul-deep exploration of the relationships that shape our lives. Drawing on decades of personal experience from corporate boardrooms to quiet moments of introspection, Dykstra presents thirty-two essays that encourage us to reconsider how we engage with ourselves, each other, the world, and the Divine.

Rather than offering abstract advice, Dykstra's essays are rich with storytelling and heartfelt reflection. He shares wisdom earned through service, music, and spiritual inquiry, framing life's relational crossroads with warmth, humility, and startling clarity. Whether discussing mindset management or the importance of simply being present for someone, his tone feels more like that of a wise friend than a distant author.

What makes *My Redemption from Pluto* particularly compelling is its gentle reminder that growth doesn't come from grand gestures but from small, intentional choices. These essays encourage readers to pause, reflect, and reconnect. The title suggests transformation. Pluto, often a symbol of isolation and depth, becomes a metaphor for personal rebirth through relationships that heal and inspire.

Reviewers have praised the book as "truly captivating" and "deeply relatable," recognizing its ability to tap into universal truths through a uniquely personal lens. Dykstra doesn't preach; he shares. And in that sharing, he offers readers the space to reimagine their own stories and deepen the connections that matter most.

Whether you're navigating change, seeking clarity, or simply hoping to live with more intention, *My Redemption from Pluto* is more than a book. It's a quiet companion on your journey toward wholeness. Don't just read it; let it transform you.

### “ My Redemption from Pluto ”

Larry V. Dykstra’s *My Redemption from Pluto* is a thoughtful and deeply reflective exploration of the relationships that shape our lives. Through a series of thirty-two lessons drawn from his own experiences, Dykstra invites readers to examine the four essential types of connection: with ourselves, with others, with the world around us, and with the Divine.

What sets this book apart is Dykstra’s ability to combine engaging storytelling with practical wisdom. Each anecdote is not only compelling but also prompts introspection, encouraging readers to consider how these lessons might apply to their own life journeys. The book emphasizes intentionality, mindfulness, and authentic engagement in relationships, offering guidance on managing mindsets, fostering empathy, and rediscovering a sense of wonder.

Dykstra’s writing is approachable yet profound, striking a balance between personal narrative and universal insight. Whether you are seeking inspiration, guidance, or simply a reminder to pause and reflect, *My Redemption from Pluto* provides a meaningful roadmap for cultivating a richer, more connected life. This is a book that resonates long after the final page, encouraging readers to embrace growth and transformation in every aspect of their lives.

With heart-wrenching candor, Jeanne describes how, with the generosity of friends and family and the unconditional love of her two boys, she was able to put the broken pieces of her life back together, in the end discovering that from tragedy can come disguised blessings.

Jeanne Callahan works as a real estate agent and massage therapist.

### “ TILL HEIST DO US PART ”

Jeanne Trantel’s life was perfect—or so it seemed. She had it all: a loving husband who worked on Wall Street, two beautiful, healthy sons, and a dream home in the affluent Long Island community where she grew up, surrounded by friends and family. But then, with one phone call, the life she knew and loved came crashing down around her. “Your husband,” the caller said, “is in custody for a series of bank robberies that have occurred all over Nassau County.” Jeanne would soon discover that her husband, Stephen, was living a lie. He was no longer the Wall Street trader that Jeanne, his family, and his friends all thought him to be. Instead of heading to Wall Street each morning as he claimed, Stephen was robbing banks. In *Till Heist Do Us Part*, Jeanne chronicles the human toll of this ripped-from-the-headlines true story. Consumed by anger and humiliation and faced with mounting debt and piles of unpaid bills, Jeanne entered what she describes as the “darkest time” in her life. But Jeanne’s story is not a tragedy; it is a story of hope and redemption, of faith, love, and the power of forgiveness.

Having spent nearly a third of his life in foreign countries, either through work, military service or simply exploring the world, Roger D. Brown has lived a life rich with diverse experiences. Despite his extensive travels, his roots in the American West have always remained a core part of his identity. From a young age, Roger was deeply connected to the rugged wilderness of the High Sierra.

His early years were spent packing fisherman and hunters into the remote High Sierra wilderness using a string of mules, giving him a profound connection to the natural world and a master of wilderness survival.

### **“Journey Through Himalayas: A Traveler's Chronicle”**

The book begins in New Delhi after the author found a magazine article left on a bus seat in Bangkok about apricots in the Himalayas. He buys a months' worth of adventure that includes a twenty-seven-hour bus ride to Srinagar, time on an ancient houseboat on Dahl Lake, Kashmir then a couple months trekking with a cook, horses and unlimited exploring of the mighty Himalayas. Adventure continues to Leh within sight of the Pakistani Border then further inside Kashmir along a loop close to the Chinese Border and back to Similia and into central India.

Following the end of the Monsoon season his journey leads him back into Nepal and trekking above Kathmandu where he attempts to cross the closed border into China and Tibet only to find a most warm welcome. Lasha captures his heart finding the old untouched parts loaded with history and kindness finally crossing down into mainland China.

### **"SOUL FUSION HEALING: Integrating Mind, Body, and Soul"**

My work — Soul Fusion Healing — integrates astrology, psychology, and energy awareness into a practical framework for transformation. It's based on the idea that healing begins when the soul, mind, and body are brought back into harmony.

Through this process, people awaken to their purpose, shift subconscious patterns, and create a healthier, more conscious life. As the author of *Soul Fusion Healing: Integrating Mind, Body, and Soul*, I explore how ancient wisdom and modern science meet — revealing how our astrological blueprint and subconscious programming work together to shape our reality.

Jesus Christ gave me a large amount of information when I was with him for 35 minutes. I was at home and had a cardiac arrest and died for 35 minutes. He gave me the truth about:

- The truth about the rapture
- The "End of the Age" explained.
- The feelings of God about the world today
- False religions, including the Catholic Religion
- The things happening spiritually, that we do not see

### **“Breaking Chains: A Guide to Overcoming Interpersonal Violence and Reclaiming Your Strength”**

by: Serah Muiruri

This title introduces a comprehensive guide to understanding and addressing interpersonal violence. It explores the dynamics of abuse, including emotional, psychological, and financial forms, which often precede physical harm. Emotional abuse—like name-calling or manipulation—can erode self-worth. Psychological tactics, such as threats and intimidation, foster fear and dependence.
