Hoist the sails me hearties, there's mystery on the high seas.

Six months after a historic combined raid on a Spanish galley, the crews of five ships meet in the Tavern of Blackguard's Bay to divvy the treasure. Each crew is led by a Captain of ill repute. The night takes a turn to the sinister when the self-proclaimed Pirate King tries to swindle the rest. In "Who Killed Jolly Roger?" you'll be whisked away to a den of pirates and thieves, bawdy shanties, and murder! There are four suspects over a dead man's chest, can you uncover who killed Jolly Roger?
