Pirate Game Night

Ahoy, Mateys!

We are grateful for everyone's support for this years' Pirate Game Night!

There is no better way to have fun than Pirates' Dice, a spin or two on the human slot machine, seeing your spouse in the Brig, and knowing that all of your fun gave back to the community in such a meaningful way.

This year, we were able to successfully raise over \$6400 for the Seawolf Privateers. These funds are used for emergency placement packages, holiday gifts, family events, and other events that bring comfort, joy, and stability to local foster and displaced children in need.

Thank you to our 2025 Game Night Sponsors!

We want to give a mighty thank you to all of our sponsors this year, who helped us transform the Palm Coast Community Center into the Captain's very own private game room for the evening. Thank you to **Funky Pelican, The Pirate Store, Captain's BBQ, Ash & Ale Lounge,** and **Christy B Comedy Club.**

No pirate adventure would be complete without a hearty meal, and we were fortunate to be fed by some amazing community partners. **Captain's BBQ** and **Sweet Melissa's Homemade Ice Cream** ensured bellies were full and happy with a delicious meal and a sweet dairy treat that kept the energy high all evening. Both graciously donated their food

to help make our night a huge success and once again support their community.

To all of our **volunteers, sponsors, and supporters:** thank you.

Treasure Updates

Aye, ye have our thanks

We are pleased to report that this year, since January 1, we have been able to successfully contribute **over \$8,600** in new placement packages and supplies to foster families. We have helped support over **50 foster children** in that time. These contributions include, but are not limited to, clothing, backpacks, shoes, diapers, and toys.

We are thankful to all of our sponsors, volunteers, and supporters who help contribute to the success of all of our programs, including new placement packages. **We couldn't have done it without you.**
