

Pirate & Mermaid Adventure Day

Ahoy, mateys!

Our most recent **Pirate & Mermaid Adventure Day for the foster children** was a grand success, bringing joy, excitement, and treasured memories to the hearts of local foster and displaced children. With over 100 children registered, the day was packed with magical moments and meaningful connections. From the moment they arrived, the children were immersed in a world of wonder. They enjoyed crafts, carnival-style games, music, entertainment, food, and prizes galore—all designed to spark joy and create a sense of belonging. Laughter echoed across the event as our pirate ship was once again full of smiling faces.

We want to give a heartfelt thank you to the **Ancient City Sirens**, who transformed into shimmering mermaids for the day, offering enchanting conversations and photo ops. **The Flagler Sportfishing Club** wowed everyone with their sea creature touch tank, giving children a chance to explore the ocean's wonders up close. A special shoutout to **Home Depot** for providing hands-on craft kits that the children loved assembling and taking home. No adventure would be complete without a hearty meal, and we were fortunate to be fed by some amazing community partners. **Captain's BBQ**, **Chick-fil-A**, and **Sweet Melissa's Homemade Ice Cream** made sure bellies were full and happy, with delicious meals and sweet treats that kept the energy high all day long.

Our friends at **Texas Roadhouse** made the day even more special by providing free dinner coupons for every child to enjoy a delicious meal with their family. And **Amaryllis Salon** showed incredible heart by offering free haircut coupons so each child could feel fresh, confident, and cared for—because every child deserves to feel their best.

Thanks to the generosity of our Captain's Cabin Storytime sponsors, **Captain's BBQ** and **Eagle Pest Solutions**, we were able to give each child the gift of reading. A special library of books was set up for the children to browse and select titles to bring home—planting the seeds for new adventures long after the day ended. Each child was also given a copy of *Pirates Are A Family: A Seawolf Privateers Adventure Book*.

To all of our **volunteers, sponsors, and supporters**: thank you. You helped make this day unforgettable. Because of you, the children in our care experienced a world where they are valued, celebrated, and never alone.

Seawolf Privateers Adventure Book

The Seawolf Privateers Adventure Book series is now available on Amazon, with proceeds supporting foster and displaced children in our community. The first book, **The Christmas Compass**, follows the Seawolf crew as they help Santa recover his magical compass—lost in the ocean just

days before Christmas Eve. Without it, he can't find children who aren't in their own homes, including those in foster care. In the second book, **Pirates Are Family**, the crew welcomes a lonely octopus named Tentacles who longs to belong. Through friendship and adventure, he learns that family isn't just who you're born to—it's who you choose and who loves you. Both books are filled with heart, magic, and messages of hope for every child who needs to know they matter.
