THANK YOU FOR YOUR SUPPORT

We sincerely thank you for your support and generosity during our recent fundraiser, "Revenge of the Sirens Gold." Your involvement made it a huge success, directly benefiting local foster and displaced children in Flagler County. Your kindness propels us toward a brighter future for these children.

Funds raised from this event made it possible for us to host two events for the foster children. First, the "Pirate Booty Bash" for Halloween was a thrilling adventure, allowing these children to embrace some Halloween fantasy fun while trick-or-treating, making some crafts, enjoying some entertainment, and dinner for the family.

And then, as we usher in the festive season, we have "Milk and Cookies with Santa" planned for Christmas, where the magic of the holidays will come to life for these children as they get to hand Santa their wish lists. They will also hear the Elf on the Shelf story read by the author, Carol Aebersold, while each receives an Elf on the Shelf Plushie Pal and a Christmas stocking from Santa.

"Thank you for what you do for our kiddos! You always go above and beyond to entertain and support our foster children! As we were leaving tonight, my child said "I want to do Pirates again tomorrow!""

"It makes me so happy to see my foster child feeling like a normal kid even if it's only for a few hours! Thank you from the bottom of my heart!"

Join us at Captain's BBQ for a magical morning at our Pancake Breakfast with Santa event! It's the perfect opportunity to indulge in a delicious pancake breakfast while creating unforgettable memories with your loved ones. As you savor the fluffy pancakes, you'll have the chance to visit Santa himself and even snap your very own pictures.

But this event is more than just a festive gathering – it's a fundraiser with a heartwarming purpose. By joining us for this delightful occasion, you'll be supporting a cause that brings joy and happiness to foster children and their families during the holiday season.

The funds raised from this event will go towards providing Christmas dinners and holiday enjoyment for these deserving children and their families.

Are you aware of someone who is caring for a foster or displaced child, or perhaps a grandparent raising a grandchild?

As a local nonprofit 501c3 organization here in Flagler County, we are devoted to assisting local foster and displaced children. We urge you to share our organization and contact details with these compassionate families, ensuring they don't miss out on our support and exciting events. The prevalence of grandparents raising grandchildren, also known as "Grandfamilies", has reached epidemic levels in the United States. In Florida alone, 140,000 children are cared for by their grandparents, who often face financial difficulties due to fixed or limited incomes. Let us join forces and make a difference together, one Pirate and Mermaid adventure at a time! Help us spread the word and bring joy to these deserving families.

THANK YOU to all the businesses that have come alongside us on our mission!
