EASTER BASKETS & YARD EGGING

As the sun was rising on Easter morning, the Seawolf Privateers Krewe was out delivering 67 Easter Baskets and hiding stuffed plastic eggs in the yards of the foster and displaced children here in our community. The feedback from the children and families was tremendous!

You made two young ladies eggstremely happy today. This was their first time ever experiencing egg hunting and baskets. They are so thankful and have been playing with their toys all day.

Thank you for everything you do to help these children feel "normal" in this crazy world they live in.

What an amazing blessing you all are to these children! I haven't seen them smile this much since they got here last month! You gave them a beautiful Easter morning!

God Bless you all!
