Summer 2024

**Pirate & Mermaid Adventure Day  
June 8, 2024**

We just arrived home from today's Pirate & Mermaid Adventure Day. I just wanted to thank you all for putting on such a great event for our kiddos! Everyone looked so happy. And my girls all had a great time!

I know it's a tremendous amount of work so I wanted you to know it was greatly appreciated!

Another wonderful and supportive event for "our" children provided by the [Seawolf Privateers, Inc](#) today. Each of their events just amaze us. I could just sit there today and watch all these kids having the time of their lives. How wonderful is that? Looking forward to what is to come. Thank you to all the pirates who made today so special. 📧❤

The recent Pirate & Mermaid Adventure Day for foster and displaced children was a resounding success, filled with joy and laughter. The children delighted in an array of pirate and mermaid-themed games, crafts, a bounce house, face painting, a professional pirate magician, and an engaging puppet show. They also got to meet and interact with pirates and mermaids, adding a touch of magic to the day. Families enjoyed a delicious dinner and received much-needed items like diapers, as well as games and toys to take home. We extend our heartfelt thanks to all our supporters who made this unforgettable event possible.

Good afternoon my friends. We both enjoyed yesterday event so much. Thank you for letting us help. The jewelry I passed out at the ship was a big hit. The kids eyes where so big. And one little girl almost had me crying. She said it doesn't have to be pretty as I don't have any jewelry. So of course I got the little princess hooked up . Then she came by several times not asking for more but to say thank you and said this was so much fun. That's what it's all about. So thank you for the lifting of my spirit and warmth of my old heart. Anything you need you let me know.

Thank you so much for another AMAZING event! The kids were so hyped up leading up to the event and have talked about it so much since... they've been playing with the swords, guns, and mermaid crowns non stop 🙄🙄🙄 I haven't let them open those Lego balls yet but they are waiting very impatiently! 🙄🙄

I love how as a mom I feel at ease knowing they are all safe and being loved on/cared for even if they aren't right by me. Thank you for another fantastic event! ❤

# Thank you to these businesses who added to our amazing day!
