

SEAWOLF PRIVATEERS Navigator

July, 2026

What an incredible day we shared with our foster families during our Pirate Adventure Day in Ormond Beach!

Families gathered for a morning filled with laughter, teamwork, and adventure as they explored Pirate Adventure Golf together. This wasn't just an ordinary round of miniature golf - every hole featured one of our Seawolf Privateers waiting with a pirate riddle, fun challenge, or interactive activity. From solving clues to completing silly pirate tasks, every stop added another memory to an already

unforgettable day.

Watching the children encourage one another, celebrate great shots, and proudly complete each challenge reminded us exactly why these events matter. They weren't just playing golf - they were building confidence, creating family memories, and spending quality time together in an environment filled with smiles and encouragement.

After all of the adventures on the course, everyone enjoyed a delicious lunch from Pizza Hut before receiving a special summer surprise.

Each family was presented with a mesh beach bag packed with supplies to help make the rest of their summer a little brighter. The bags included outdoor games, sunscreen, bug spray, and other fun seasonal essentials to encourage families to get outside, play together, and create even more memories long after the event ended.

None of this would have been possible without our incredible volunteers, community partners, and generous donors. Your support continues to make these moments possible for children and families who deserve every opportunity to simply laugh, play, and feel loved.

Thank you for helping us create another day filled with adventure, friendship, and memories that will last a lifetime.

This year's Fourth of July was one we'll never forget!

Our Seawolf Privateers crew had the honor of participating in the Rotary Club of Flagler Beach's Independence Day Parade, and we were absolutely thrilled to be awarded Best Float!

While receiving the award was exciting, what meant even more was the incredible support we felt from our community. Seeing families waving flags, children cheering, and neighbors celebrating together reminded us why this holiday is so special.

This year carried even greater meaning as our nation begins commemorating America's 250th Anniversary - a milestone that celebrates not only our country's history, but also the values that continue to unite us today: freedom, compassion, service, and community.

Those same values are at the heart of Seawolf Privateers.

Although we dress as pirates, our mission has never been about the legends of piracy. It's about choosing to use adventure, imagination, and fun as a way to bring hope to children and families who need it most. We believe that strong communities are built by people who look after one another, lend a helping hand, and create opportunities for every child to feel included and loved.

As we look toward America's 250th year, we're reminded that each of us has the opportunity to make a difference right here at home. Whether it's volunteering your time, supporting a local nonprofit, encouraging a neighbor, or simply showing kindness to someone who needs it, every act of service strengthens our community.

Thank you to everyone who lined the parade route, waved, smiled, and cheered us on. Your encouragement reminds us that we aren't sailing this journey alone.

Here's to another 250 years of communities coming together, serving one another, and creating brighter futures for the next generation.

Fair winds, and God bless America!

Pirate Plunder Game Night Update

Our annual Pirate Plunder Game Night, originally scheduled for August, has been cancelled.

We know many of you look forward to this event every year, and we're truly sorry for the disappointment. Pirate Plunder has become a favorite tradition for so many of our friends and supporters, and we appreciate your enthusiasm and continued encouragement.

While this event won't be taking place this year, don't worry - we're already hard at work planning some exciting new experiences! We have several fun ideas in the works that we're looking forward to sharing with you very soon.

Be sure to follow us on our Facebook page so you don't miss any announcements, volunteer opportunities, special events, or behind-the-scenes updates. We can't wait to share what's coming next!

As always, thank you for believing in our mission and for helping us bring hope, joy, and unforgettable memories to local foster and displaced children. We couldn't do it without you.

What's on the horizon?

The fun isn't stopping there! This month, our Seawolf Privateers crew will be heading to historic St. Augustine with our foster families for another unforgettable day of adventure.

The children and their families will spend the morning exploring the St. Augustine Pirate & Treasure Museum, where they'll discover authentic pirate artifacts and hear the incredible stories behind some of history's most famous pirates. They'll also journey through the Colonial Quarter, stepping back in time to experience what life was like during the colonial days of Florida.

After a morning of exploration, everyone will gather together for lunch, generously provided by This Guy's Fries. We're incredibly grateful for community partners like them who help make these special days possible.

And we're just getting started!

Here's a look at what's still to come for our foster families this fall:

July - Back to school supply distribution. We're gathering our Seawolf Privateers families together for a pizza dinner. But this isn't just an ordinary night out with their favorite Privateers. Each child will receive a backpack filled with school supplies to start the year off feeling prepared and ready for adventures!

September – We'll set sail aboard the legendary Black Raven Pirate Ship, followed by a visit to The Treasure Chest Museum, with lunch included for all of our families.

October – We'll spend the day discovering the wonders of Marineland, enjoying marine life experiences together before gathering for another family lunch.

November - We will be blessing our Seawolf families with complete supplies for a wonderful family style Thanksgiving dinner! This allows our families to not have to worry about the meal, and just spend the day creating memories for these children.

December - Milk & Cookies with Santa! This is a fun Christmas celebration event where the children can sit with Santa and give him their Christmas lists, sing, dance, make crafts and even shop for a gift to give their foster and bio parents for Christmas. Each family will leave with gifts for the children for under the tree on Christmas morning.

These outings and blessings are about so much more than the destinations or the items given. They're opportunities for foster families to slow down, laugh together, build stronger relationships, and create the kinds of memories every child deserves.

Every adventure is made possible because of the generosity of our volunteers, donors, sponsors, and community supporters. Whether you've donated, volunteered, attended an event, or simply shared our mission with others, you've played a part in making these experiences possible.

From all of us at Seawolf Privateers... thank you for helping us change lives, one adventure at a time.

And of course...

We'd love to see you again soon - here are a few upcoming community events and ways to stay connected:

- **Nov 6–7: Murder Mystery Dinner Show**
- **Dec 5 (8–10am): Captain's BBQ Breakfast with Santa Fundraiser**
