## Now, It's Time to Join the Team!

**Invite your friends to be part of the fun too!**

Ballots go out in just 3 weeks! It will take a massive mobilization of volunteers to alert all the voters in Huntington Beach about this special election. We need help with many things including, canvassing, phone banking, postcarding, corner crews, and more. Please create a volunteer account and sign up for some of the actions. **Every hour volunteered will help us reach our victory.**

Volunteers are being managed through timecounts. Here

are the steps to get on board to volunteer:

1. Create  
a  
login  
account  
on  
timecounts.app
2. Log  
in  
to  
your  
account
3. Search  
for  
"Save  
Our  
Library  
HB"
4. Select  
your  
volunteer  
activity

**P.S. This is the easiest canvass you will ever do!**

Virtually every door is about letting people know about the election. Once they know, they are almost all in agreement with us--no persuasion needed. **Easy-peazy!**

## **Protect HB has launched a "Legal Action Fund"**

Protect HB has sued the City over its use of an environmental study from 1999 when approving the Symphony of Flowers as a 4-6 month installation in a 6

acre section of Central Park. (More information is available on our website.) In order to fund this effort and future legal actions, we have established a separate fund for legal actions. Please consider donating to this additional fund.

## Actions for You!

### **We are having "Read-Ins" at the HB Libraries.**

Pick a date and a location (the next one is at the Central Library on April 26, 1-2:30pm). Bring your chair and a good book and join in on the fun. You can bring a homemade sign supporting "YES and YES" on the two library ballot measures or get a pre-printed sign when you arrive.

Take a look at the pictures to see what it's like.

## Remembering Shirley

Shirley Detloff was a founder and member of the Protect HB Steering Team. She was active in HB civic life throughout her life and contributed greatly to this community. In honor of her many contributions and the pivotal role she played in preserving the Bolsa Chica Wetlands, Shirley will be remembered as the Shipley Nature Interpretive Center will be dedicated to her on April 23.

Please save the date.
