Laura Fox is an Associate Broker with **Berkshire Hathaway HomeServices – Arizona Properties**. The BHHS brand is internationally known and unites the strength of industry leaders, bringing together unparalleled operational excellence, innovation, and integrity. You can be assured of working with the finest Real Estate Brokerages and Sales Associates at home and around the world.

We partner with **American Escrow and Closing Company** for policy administration, expense management, tax favorable home sale programs and policy compliance.

Our relationship with **First State Mortgage, Guardian Mortgage, Prosperity Home Mortgage, LLC** allows us to offer quick preapprovals, competitive programs, and discounts in all 50 states.

Our Full-Service household goods moves are co-managed through **Relocation Management Resources (RMR)**. This relationship brings you and your client's competitive rates with individual attention, which provides a better overall moving experience. **RMR** manages a high volume of moves for a variety of clients including *McDonald's, Kraft, Pitney Bowes*, etc. They are able to leverage this volume to demand consistently high-quality service from each of their carefully selected vendors. This results in executive-level service for each customer.

We assist with coordination of the self-move/DIY move. We assess the home size, distance, budget, lumps sum, self-pay, etc. We have discounts with PODS and CEND is Eco Friendly for the DIY option.
