

BEST TIMES TO CALL:

- **At the first thought of Selling, Buying or Moving:** We will provide accurate and current area information, a snapshot of the market, cost of living data, household goods planning and budgets for all the details involved.
- **Origin:**
Listing Current Home/Lease Break: We will introduce our network of Real Estate and Relocation Specialists in your area to interview, provide accurate and current advice on selling in 30/60/90 days, home preparation, marketing ideas, trends, costs, etc.
- **Destination:**
Preview Trip: We will engage our Relocation and Real Estate Consultants to provide any and all information on the new area. To include a tour of the area, homes, schools, commutes, purchasing process, and to act as your “concierge” to the new area.

Purchasing/renting in the new area: The assigned agent will begin discussions with you about plans. Introduce you to our mortgage advisors about special products, rates, timing, etc.
- **Household Goods Move:** We will provide multiple estimates with our pre-selected Van Line Partners, full management of Packing/Delivery. We have full service, hybrid or DIY option. We audit the estimates to the final invoice and can direct the bill back to a corporation, if needed.

We have been working with all our service partners for many years. Quality, Consistency and Early Involvement is key to a smooth Relocation.
