

April 2020 Newsletter

Dear Washington Professional Members,

The email list for this newsletter was generated from the current professional membership list at the time of the newsletter, from the USA membership list as of 3/31/20.

The past few week have been a crazy time for all of us. A few short weeks ago, our athletes were in school and in the gym training for their end of the season championship meets. This is a stressful time for our athletes, coaches. clubs and families. This pandemic has definitely shown how close and dependent we are of each other. It has been great to see how coaches and athletes have come together to support one another. With the latest “Shelter in Place” going until April 30, please continue to stay positive and encourage one another. There are many resources for everyone at the following link including upcoming webinars:

The State Administrative Committee continue to meet often through conference calls and will have a Zoon meeting on April 1. We will continue to keep our membership informed on changes and updates, please do not hesitate to reach out with questions and concerns. We are all in this together.

State Website

Our new website address is usagwashington.com and has been up and running since the Fall of 2019. The new website will be changing and updating often, if you have any suggestions or comments, please do not hesitate to let me know.

Announcements

-Thank you to all of you that participated in the survey that was sent out last week asking for feedback to help the committee make the best possible decisions for the 2020-2021 state calendar. The survey will continue until 5:00 pm on March 30.

-All four State Championships have been canceled due to athletes being out the gym due to the statewide shut down. This is disappointing to all of us, we know our athletes worked hard all season and this is not how any of us wanted the season to end.
