Dear Washington Professional Members,

The email list for this newsletter was generated from the current professional membership list at the time of the newsletter, from the USA membership list as of 6/1/20.

Gymnastics facilities can re-open in Phase 2

It is exciting that some counties have entered Phase 2 of the State re-opening process and gymnastics facilities are able to open in those counties. Originally, gymnastics along with other fitness centers were set to re-open in Phase 3. After the Governors office received numerous emails, letters and phones calls, he graciously moved gymnastics and other similar fitness centers to Phase 2.

Many club owners, families, athletes, and coaches were behind this effort. I would like to thank the following, who spent valuable time working on getting gymnastics opened in the early phase. I am sure this list is not exhaustive of those who have contributed. Please send me the name of anyone else you know worked on this effort that is not listed.

Many thanks to:
