Committee Reports

Kelle – Have meet hosts considering being greener in running their meet. Regionals for xcel is a regional committee decision not a state decision, sectional meet ideas, who should decided head judge at meets,

Kim – Fall State Moving the weekend, website to be more updated, judges having more opportunities at post season meets not just breves and national rated judges, qualifying scores raised, no regional xcel meets, social media and website need to be equal in their information.

Kevin – most items are covered above

James – most items covered above,

Mike – most items covered above, in addition if xcel is split some clubs may not participate

Jan – most covered in the above items topics

NAWGJ Report
