Xcel 2021 Region 2 Championship Qualification:

Discussion held regarding upcoming vote on Regional Committee, that if an athlete stays the same level and submitted their scores to the Regional Xcel Chair by the deadline last year they can use it this year to qualify for the 2021 Region 2 Championships. This committee is in favor as long as the athlete is still required to attend their individual State Championships to complete their qualification.

Meets for State Qualification:

To accept all Sanctioned meets, even those with only one team, to be used as qualifying to State Championships as long as the correct number of judges are used.
