

Put our **energy experts** to work in your home.

A **PECO Energy Advisor** can help make your home more comfortable and energy efficient.

PECO Energy Advisors are available to analyze your home's energy-saving performance. The 1- to 2-hour-long assessments cost only \$49 and could save you up to 20 percent a year on energy costs.

Your Energy Assessment will include:

- **Professional advice** from a PECO Energy Advisor who will identify areas of your home that may be wasting energy and offer ways to stay comfortable year round.
- **Free energy-saving products** such as LED bulbs and smart power strips (up to \$125 value) that will be installed during your in-home Energy Assessment.*
- **A personalized report** with energy-saving recommendations that can save you up to 20 percent a year on energy costs.
- **Special rebates** for weatherization work and for heating and cooling equipment through a participating contractor.

Upgrade your home and get up to **\$435 in rebates** for homes with central A/C and non-electric heating, and up to **\$1,150 in rebates** for homes with primarily electric heating.**

To schedule an appointment, call **888-5-PECO-SAVE (888-573-2672)** today, or visit **peco.com/assessment**. Use discount code **WMEA** to **save \$10**.

*Limited supply per household and where applicable. Certain restrictions apply. You must be a PECO residential electric customer to participate. One Energy Assessment per residence, per year. This program is subject to change, including termination, without prior notice. Appointments are available Monday–Friday. Limited number of appointments available on Saturdays.

**Based on a two-story colonial-style home with 2,000 square feet of living space, 1,000 square feet of attic area and 100 square feet rim joist area. Size of structure, heat source and options selected can affect the amount of rebates a customer may experience. Rebates subject to change without notice. These enhanced rebates are only available to PECO electricity customers through participating contractors. Other restrictions and limitations may apply.

Energy-saving appliances that work as hard as you do

Energy-efficient appliances are an exceptional investment, and PECO has rebates and discounts on ENERGY STAR[®] certified appliances to help.

Get instant savings in store or online

Look for a PECO Instant Discount sticker at select participating retailers. The discount will be automatically applied at checkout. No need to fill out an application.

Prefer to shop online? PECO customers can also get instant rebates when shopping online at the PECO Marketplace: peco.com/marketplace

Great rebates on new ENERGY STAR certified appliances
