Cat & Dog First Aid Online Training

In this 35-minute online course, you will learn the basics in caring for cats and dogs through a variety of topics – from understanding and checking your pet's vital signs, to preventative care for cats and dogs, to caring for the most critical emergency situations - including breathing and cardiac emergencies, wounds, bleeding, and seizures.

Course Benefits Include:

- * Learn how to check your pet's vital signs, how to conduct preventative care for your pets, and how to recognize and provide first aid for the most severe emergencies your pet may experience.
- * Red Cross digital certification provided upon completion - access anytime, anywhere!
- * Desktop and tablet compatibility providing flexibility to access how, when, and where you want to take the course.
- * Log-in anytime to review course material.
- * Content developed by the American Red Cross team of scientific and medical experts.
