

SAFE CAM

PRIVATE CAMERAS FOR PUBLIC SAFETY

SafeCam is one of the Philadelphia Police Department's contemporary crime prevention and investigation tools that demonstrates the effectiveness of partnerships between police and the community.

Registering your camera not only helps deter crime, but assists the Department in its overall crime prevention strategy in your neighborhood. Protect yourself, your family and your community by registering with SafeCam.

1. Registration

Registration is simple and only takes about 10 minutes to complete. You will provide basic information and tell us where your cameras are located. There is no cost associated with registration and your information is confidential. You may delete your registration at any time.

2. Confirmation Email

After registering, you will receive a confirmation email at the address you provided. This email serves as proof of your registration and can be printed or forwarded as needed. Keep it for your records in case you need to reference your registration in the future.

3. Call to Service

You will only be contacted by the Philadelphia Police Department in the future if there is a criminal incident in the vicinity of your security camera. Police personnel, if necessary, may request a copy of any video captured by your camera, which may assist in the investigation of a crime.

Disclaimer & Terms of Use

Dear Community Partners,

The goal of the SafeCam program is to deter crime and promote public safety through partnerships and collaboration between the Philadelphia Police Department and the communities we serve. SafeCam helps the police identify potential cameras in the community that could help with an investigation if a crime or incident occurs in the vicinity. SafeCam is strictly a registration program. The Philadelphia Police Department cannot see your cameras or gain access to your cameras.

By registering your cameras, you agree to the following terms and conditions:

1. Philadelphia Police Department may contact you directly, using the information you have provided, to request appropriate surveillance footage as it relates to a crime or incident that may have occurred near your property.
